Saturday 1:30 PM

Dear Mom and Pop,

I received your Oct 5 letter this noon. I also received the money order registered letter too. Thanks very much. It was more than I expected but I'm not complaining. I hope you received the camp newspaper I sent you.

Right now I'm just loafing. I finished washing a few of my under wear a little while ago and took a shower. We were going swimming this afternoon but we decided to go tomorrow. We're going to the movies tonight. I didn't sign out for a pass this week because I didn't feel like going. It's just like going to a circus. Once you go, you're satisfied for quite awhile. The gang and I are just going to take it easy over the week-end.

I'm going over to the PX in a little while to get my sun-tans. I sent them to the cleaners to get them pressed. It costs 45¢ for a suit.

I'll write more tonite.

5:00 PM

Well, here I is again. We just had our early dinner.

We just loafed around this afternoon. I had my money order cashed this afternoon so my bill fold is fat again. I told you we're going to be paid on Oct 10, didn't I?

We came back to our hut around 4:00 so we were reading magazines. In a couple of minutes I was fast asleep and didn't wake up until the dinner whistle blew.

I don't have much to write a font now so I'll write more after we come back from the movies.

8:30 PM

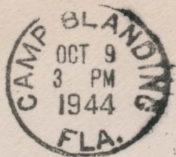

Hello again, I didn't go to the movies tonight. Instead I stayed home. John did too. We talked quite a bit all evening. I don't have much to write a font tonight. We didn't do much today you know. Right now, I'm in bed writing this letter to you. I took a shower already and I sure feel fine to be in bed just taking it easy. I think I'll read awhile after this letter. Well, more tomorrow
Jack
