Dear Mom and Pop,

I had a nice day today. I put my work aside and played around all day. I'll have to make it up tomorrow, though.

In the morning, a faddy and I played fad minton. In the afternoon, we went on a bike ride all over the countryside.

Boy, I'm tired tonight.

I'm sure having a lot of funny experiences in the Army. I'll give you a couple a days ago that I'm the I+E man for this company, too. Well, there's a couple of boys that didn't get their high school diplomas so I'm having classes in my spare time for them. I have classes in reviewing English, Math and General Science. Boy, what a headache.

I asked the motor officer of Service Company
if I could borrow the $\frac{3}{4}$ ton truck this
Saturday & go down to Florence. He couldn't
say no because I did a lot of favors for
him.

Well, anyway, I have the truck & go down
so I'll pick up the tea set I ordered.

Well, tomorrow I'll be out of my ten app.
I'll be at tomorrow. My dog, Tim saw Mrs
fly doesn't it. You have a nice birthday
party for me, will you? It's Thursday so
eat out with some of your friends. Oh, yes,
this letter won't reach you in time, will it?

Well, more tomorrow
