March 23, 1945

Dear Mom and Pop,

I received four letters from you. Two were February's and two were written in March. Not bad time!

I'm going to Florence tomorrow. I think the car will be ready. Hope so.

The weather is really a spring row dog. No cloudy days or rain.

I went to a movie projector meeting this afternoon. I'm going to take a test to get my motion picture projector's license pretty soon.

The other day when I got a package from you, I forgot to tell you that I got a bottle of hair tonic in it too. I'd like to have the other bottle you sent me just when that's gone, I'll have another one.

Not much to write about these days.
I don't do anything different as life
is pretty much the same.

I'm sending another request!

PLEASE SEND ME SOME
MAGAZINES AND SOCKS.

Boy, I hope you sent those
cigarettes I asked for. I want to get that
dinner set before I go home.

Well, this is to put off for today
or more moment

Jack
