Dear Mom and Pop,

Well, this is the last day of March. We'll be paid tomorrow. My wallet will be fat again. The weather is very nice these days. Let's hope it'll stay this way.

On May, we'll be issued sun tans but we'll still keep our ODs because we're a combat unit.

I'm going to a boxing match this afternoon. Terry got me a ring side seat with the reporters so I should be able to see a good game.

I hope you received the package I sent you a long time ago. It had two boxes in it. The tea set should be coming in a couple of months. I think you'll like the set. I'm planning to go down to Florence this Tuesday with Uchida and George Hamai. I think you know the Hamai family. His folks are in San Francisco too. I think they use to live on Gerry St before the war.

The other day I went to the special service meeting and took my license test for the movie projector. I passed. I have a nice blue card now to authorize me to run government projectors.

Well, this about all for today so I'll write more tomorrow,

Dear Mom and Pop,

We were picked today. I got \$82.00. I've saved about 260 dollars in Italian money. That's about \$115 in American money.

I have some pictures I had taken when a couple of fellas and I went bike riding. I'll send them down.

The mit hasn't been coming in again. I guess it'll be in soon.

I'm not going to Florence today because Uchida caught a cold and doesn't feel too good.

Not much doing these days. I just loaf around.

I'm sending another request,
I REQUEST YOU TO SEND ME SOME
MAGAZINES AND SOCKS.

I'm sending Sunday's letter with
this one. I didn't write yesterday because
we had a inspection on records. I had to
show the inspecting team my files and records.

Well, this is a part of you today so
