April 11, 1946

Dear Mom and Pop,

Had quite a busy day today. In the morning I went to a SSO meeting and in the afternoon I went after films and then to Regimental Headquarters to see the I & E officer. I just came back.

Last night we had a movie here in camp. We saw "A Bad Bascomb" with W. Berry and M. O'Brien. It was a very good picture. Tonight we have another movie. It's "Colonel Effinham's Raid". It should be good, too.

Well, it's all set. I'm going to Florence this Saturday. I'm going with Uchida. We're planning to go Saturday morning and come back on the night of Sunday. I have it all arranged so that somebody will show the movie on the night I'm in Florence and to get the papers on Sunday morning.

The boys that work in the post office told me that a large load of mail and packages came in the other day so we should be getting them pretty soon.

We're having very nice weather these days. I think we got rid of the rainy weather at last. It's a little windy today but not too bad. How's the weather in San Francisco? It should be getting pretty warm by now.

I don't remember whether I sent a request this week or not so I'll send another one.

I REQUEST YOU TO SEND ME SOME MAGAZINES AND CANDY.

I hope I'm not rushing you with the requests. Let me

know I

if I am.

How's everybody getting along back home? Have you seen Tak lately? I'd like to know how's he's getting along.

I wash my dog this morning. After she dried out I gave her a haircut. There was too much hair around her ears and stomach. She looks good now.

We asked the captain if he would like to go to the opera tomorrow. He said yes so we bought tickets for him and a couple for ourselves. That last opera we saw was very good. I hope the next one will be just as good.

Well, this about all for today so I'll write more tomorrow,

Tad
