Dear Mom and Pop,

We went to Florence on Saturday morning and we came back 5:00 today. When I came back I found two letters and a package waiting for me. The package had magazines, canned fruit, a jar of sliced chicken and some candy. Thanks very much.

We took some pictures, looked around town Saturday and had a Italian dinner. We came home early and had a hot bath and went to bed early. This morning, we looked all around the town we left in the afternoon for home.

We hitched liked coming and going
all in all, we had a lot of fun.

I'm tired tonight so I'm going to
bed early.
