April 23, 1946

Dear Mom and Pop,

Just finished eating lunch. We're having nice weather today. I cleaned the movie projector this morning. I had to look frog because the captain was walking around.

We're having a movie here in camp tonight. It's "A Guy (that's Guy) Could Change". I don't know who is acting in it.

Received two letters from you this morning. Your letters are coming here pretty quickly.

I'm learning how to play badminton in my spare time. Jerry and I play every night. We put up a net between two trees.

I'm going after tonight's movie  
so I'll finish this letter when I  
come back.

3:30 PM

I just finished taking a shower. We have  
a new shower room here. It's really  
swell.

The movie we're going to see tonight  
is a new one. I wonder if you've seen it  
yet. I sure would like to go to a regular  
theater again.

Well, this is about all for today so  
more tomorrow —

Jack
