June 12, 1946

Dear Mom and Pop,

I think Service Company is moving to the staging area on Saturday. I hope Ego's and my orders come tomorrow so we can go to G.M. instead of staging area.

It was a bad day today. The weather was bad all day. We had a very strong wind first and then it started to rain. It's not too bad now.

I learned how to drive a 2 1/2 ton truck today. It's pretty easy if you know how to drive a 1 1/2 ton truck. I drove all around this afternoon.

Some of the boys from our company moved to the staging area already. They're the truck drivers. Service will move around Saturday so I'm

hoping our orders will come tomorrow.

I received two letters from you today. I hope everything is going OK with you.

I saw John Miyasaka last night at  
the movies. He said that he received  
a letter from his sister and Heath  
Fujita and they said they want me to  
stop at Cleveland when I get home  
I'll have to think about that. I  
want to go straight to San Francisco.

How is Bot doing lately? I  
hope he's getting along ok. The  
next time you see him say hello.  
He came to date yet.

I'm writing a request again.

PLEASE SEND ME SOME  
MAGAZINES & SOCKS.

Mom, will you send me some  
light knit socks?

Well, this is about all for  
today so more tomorrow

Jack
