Dear Mom and Pop,

I just finished taking a shower. We reached Castellón around 3:00 this afternoon. I turned in my report and I just finished clearing up. Boy, Ryo really laughed when he saw me because I was so sun burned.

We left Elba around 8:00 this morning. We ate at Service Company. I went to see how the boys are doing. I found out they all moved out except for the post office gang, a couple of drivers and one cook. I had a short talk with Mrs. Aoki and then left.

Right now I don't even know who won the Joe Louis and Billy Conn fight. I think Louis won, though.

Well, this is about all for today
so more tomorrow
