Dear Mom and Pop,

Not much doing today. We just finished seeing a movie. Pretty good!

I didn't do very much all day. Played pocket ball after dinner and that's about all.

The Lieutenant told me today that I'll go on a trip tomorrow. I'm starting out around seven in the morning and will be back this Saturday. There's three of us going and we're going near Mass.

I'm writing a request. I didn't write one for a long time.

I REQUEST you to SEND ME
SOME MAGAZINES & CANDY.

Well, this is about it for today
so more on the trip.
