Dear Mom and Pop,

Eyo came back this afternoon. He found two lodges near Grosseto.

I have some pictures we took on the last trip we took. It's all taken on a mountain. I hope you like them. All the mountains around there are very high and the one we were on is about 11,500 meters. That's as high as the Sierra Mountains in Nevada.

I'm sending a request again for some stuff.

I REQUEST YOU TO SEND ME SOME MAGAZINES AND CANDY.

Well, I'd make this letter short because I'm sending a lot of pictures.
