Dear Mom and Pop,

I came back from Rome last night. For the three days I was out we covered around 700 miles.

We went all around the country side near Rome. I didn't go looking for fodies this time. I went out to check on plane crash reports.

Ryo didn't come back yet. He'll be back tomorrow some time.

When I came back, I found a package waiting for me. It had a can of pineapple, a box of candy, a carton of cigarettes, and lots of magazines. Thank you very much.

By and I both enjoy looking
at the magazines.

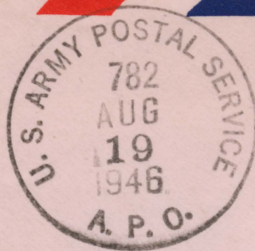

I spent two nights in Rome.
We didn't have time to see the
sights of Rome because we toured
around in the day and come
back around 4:00 in the evening.
After we washed up, my driver
and I went walking around and
did a little window shopping. They
have a lot of nice things. I
bought a safety razor for my self.
I lost my other one. It's a nice
one in a leather case.

We saw a Italian stage
show too.

Well, more soon

Paul
