Dear Mom and Pop,

Pop and I are going out again tomorrow. We'll be back Friday or Saturday.

Between going on trips we don't do very much. Most of the time we read books. At nights we usually go to town around 10:00 o'clock and eat spaghetti. The Italian people eat dinner around 9:00 you know.

We went to a Italian movie the other night in town and they had an old picture, playing the name was "Macao" with

Jessie Hayakawa. I don't know
if the first name is right or
not but that's the way they
had it spelled. He was supposed
to be a gambler in the picture.
I thought you might be
interested to know about it. I
hear that he is in Paris now
and that some of 442 boys
met him when the Regiment was
in France.

Well, this is about all for
today so more when I get free.
