Dear Mom and Pop,

I can feel from my trip Friday night. We worked hard but we had fun in the different places, too.

By and I went to Florence yesterday to do some shopping but we didn't buy anything. We had a good lobster dinner, though.

We'll be going out again tomorrow morning. We'll work around the area of Genoa. We'll be back Friday or Saturday.

We're still kind of lazy as to when we're going home. We know it's soon but even Headquarters doesn't know when because we're not under PBS but under the MT2 command direct. At any rate it won't be long now.

We're still waiting for our promotions  
too. We know it's in fact don't  
know when it'll come.

I guess you're waiting anxiously by  
Jack Kase. Well, I'm waiting too  
and there doesn't seem to be  
much we can do about it.

How is everyone for the  
zone? Say hello to all my friends  
for me, please.

Well, this is a fact all for  
today so more when I get Jack  
from my trip —

Jack
