9:00 AM

Dear Mom and Pop,

Just a quick letter to tell you that we may go on night problem again tonight so I may not have the chance to write you a letter. We may come home late again like the last time. Because we're having night problem again we got up late this morning. It's nine o'clock already but we haven't done a thing yet. I just finished polishing my shoes and I'm going to read a bit after this letter. So don't worry if you don't get a letter for one day. I'll tell you all about it when we get back. We'll probably get back Friday morning around 1:00 AM. Well, I'll write more Friday night -
