

Sunday 10:00 PM

Oct 29, 1944

Dear Mom and Pop,

We just came back from the movies. We saw "Mrs. Parkington". It was very good. I received your letter of Thursday with the stamps in them. Thanks very much.

I didn't do much today. In the morning we just loafed around. After lunch we went to the talent show and then later, we went to the Service Club library.

This evening we had dinner at the Service Club Cafeteria and then went to the movies.

We're going to have a half a day tomorrow because we worked all day Saturday. I don't have much more time before lights out so I'll write more tomorrow

Paul
