

Thursday 1:30 AM Nov. 9, 1944

Dear Mom and Pop,

A very, very short letter to let you know that we just came back from night problem. I'll write more tonight. We have a half day off today or I should say from the morning. Until tonight

9:00 AM

I'm back again. We have this morning off so I'm taking it easy.

Yesterday we left company area around 7:00 AM and walked out to the fields around 3 miles out.

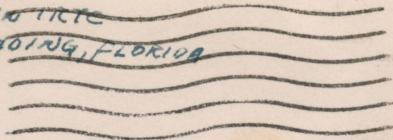

I have a lot to do yet so I'll write tonight.
