Dear Mom and Pop,

Just as I thought, I received two letters from you today. I sure would like to see the first snow fall you had.

As I told you yesterday, we had a party tonight and I just came back. We had a lot of fun and lots of eats. I don't have much time to write tonight so I'll have to make this letter short. I'll write to you more tomorrow. We have a half a day tomorrow because we'll be working all day Saturday.

We had sad news today. Our captain is leaving us for another training center next Monday. Tonight at the party when we sang *Angels in Quarantine*, he looked kind of touched.

Well, I'll have more to write tomorrow
Jad
