Dear Mom and Pop,

I received your letter of Sunday this evening.

You said you have the parts is ready for + don't send it too soon or it won't feel like a Christmas present.

I hope you received the box of shells I sent you for the kids.

We had a very easy day today. We had instructions on the 50 caliber machine gun. The other machine guns we fired were 30 caliber but this one is a 50 caliber. It really is a big baby. I'll send you one shell to keep for me after I fired it. It's as big as a cannon shell.

The company pictures aren't ready yet but as soon as it's ready I'll send it to you. It'll be something like a Christmas present + although I'm planning to send you something for Christmas.

Boy, do you remember the movie
"The Sign of the Cross" with Fredrick March.
It's by Cecil B DeMille. Well there's going to be
a revision of the same film pretty soon. I'm
going to go and see it. I think Elissa Landi
is in it. (I think that's the way you spell it)

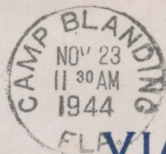

I'm going to read a bit now so I'll
write more tomorrow
