To Whom It May Concern:

Miss Mitsuye Takemiya has been known by me since July 2, 1950, at which time she had been highly recommended to me by my predecessor.

Miss Takemiya was born in California and lived there until 1946. She is presently employed as a Clerk in the Registration Section of this office. Her work, attention to duty and thoroughness is superior. Miss Takemiya speaks both English and Japanese fluently.

Her character, moral qualities and integrity are above reproach. She has set an example in the performance of duty, character and moral standards that are worthy of the highest praise that I may offer her.

Miss Mitsuye Takemiya is not a public charge, is not a pauper, or is she illiterate and to the best of my knowledge she has never been deported from any Country, is not a draft evader, or a contract laborer.

I would not hesitate to recommend Miss Takemiya for any position that she might be called upon to perform.
