Visa Petition No. 455684

Dear Sir (~~or Madam~~):

Your Petition for Issuance of Immigration Visa has been approved by this Service and forwarded to the Department of State for transmission to the appropriate American Consul. The actual issuance of visas is a function of American Consular officers who serve under the Visa Division of the Department of State. It is suggested that the prospective immigrant or immigrants communicate with the American Consul to whom application(s) for visa will be made for the purpose of ascertaining what further action will be necessary and the approximate period of time which will elapse before a visa may be issued.

Birth certificate and consular certificate of witness to marriage are attached.
