SOVIET SHORT CUT

Ruined road leads to shorter time to Berlin. 

The Sino-Soviet War

The Sino-Soviet War has been raging for the past year, and it is feared that it will continue for many more years. The two nations are divided over the question of whether the war is a just war or not. The Chinese government claims that the war is a just war, while the Soviet government claims that it is a unjust war. The war has caused much suffering and loss of life on both sides.
