SEATTLE beat Tacoma again yesterday in a splendidly played game. Had that victory been won in mid-season at a time when the Seattle team had a chance for the pennant in a league of respectable proportions, it would have caused quite a bit of comment; the fans would have been bawling about how young Portland Hinkle, fresh from college with the bay leaves still on his brow, was fast losing his tabbies and was developing into a real baseball pitcher; and how our Tealey and our Pug and the rest were playing bang-up baseball in these drab September days. But Seattle's position in the race this year is so assured that all interest in that part of the proceedings has been squeezed dry. The faithful who go to the ball yard these days are those who really like baseball, regardless of the position of the teams playing.

tossed out Kelly and held Bennett at third, but when hit to McFadden, Pug set sail for the plate. Bennett and Blankenship went to the soil though it looked from the stand as if Hinkle had dropped the ball and was about to pick up a double play on it, however, and leaping to his feet, he drove the ball to McFadden in a spot and along Cruikebank at second, as he tried to advance on the rough and tumble stuff at the plate.

But despite the fact that several of our young men were cut down so ruthlessly, three of them got across and those three runs proved enough to win. Raymond got a pass in the first inning and came over on Bennett's hit and an error by Cruikebank. Double play on Veed's grounder to Rockenfield. The second run was scored by Seaton in the third inning on a Rockenfield pick-off. One of Maston's slippery spit balls and threw it out of Mott's reach. A double play on Cruikebank's pick-off. Cruikebank put the third run over in the sixth. Score: Seattle..... AB R H PO A E

### BASEBALL NOTES

Rain spoiled what promised to be a pretty contest in Spokane yesterday. Both Erickson and Chalmers were in line for the job, but the rain came in the fourth inning and a half before the deluge. Erickson started in the first, but when he faced him in the second, he was hit by a strike-out in a row. Only two men reached first, and they did not get there on time. Erickson one-upped him and the stole second. Householder was the other, and the pitcher was trying to pitch. Two games will be played at Spokane today.

### SHORT UPPERCUT MAKES DRUNK MAN WHO GETS IT

Jack Johnson believes that the short uppercut is the most effective blow ever used in a prize ring. He can give one over any other today. Merrett, the Chicago White Sox 4 to 2. The game was stopped at the beginning of the sixth inning.

### WOLGAST LOSES NERVE AFTER WINNING BATTLE

Ad Wolgast, as world's champion lightweight, presents an interesting psychological study. Until he fought Battling Nelson, Wolgast was a willing fighter who liked to lose. In the ring often and who didn't care very much who he fought.

### Football Star Will Try His Hand at Coaching

VINCENT BORLESKE. Whitman's star athlete, who will coach the football team of the Broadway high school this year. Borleske is already in Seattle getting wise to the lay of the land.

### WINNING BALL CLUBS PULL OFF MOST BONEHEAD PLAYS

CINCINNATI, Saturday, Sept. 3.—It's the ball club that's always going at full speed and trying to pull off the unexpected that makes the most plays of the variety classed as "bonehead" by sporting writers. The fastest and best ball players pull off most of the plays which come under that head.

### OVERALL OUT OF GAME WITH KINKED ELBOW

CHICAGO, Saturday, Sept. 3.—It appears as if the Chicago Cub baseball team will be deprived of the services of pitcher Overall, one of the most dependable men on Manager Chance's staff.

### MEXICO WILL HAVE GLASSY RACE MEET

Colonel Winn, writing from Juarez, Mexico, states that improvements at that palatial course are progressing favorably and will be completed long before the opening day—Thanksgiving Day. Chief among the additions at Juarez is a new club house said to cost \$20,000. This, it is said, will be a model of convenience. An additional \$50,000 is being expended in the erection of stalls and outbuildings, for the comfort of horsemen. The bon tons of racing will be seen at this course during the winter, the more recent to apply for stall room, being August Belmont, James B. Keeney and R. T. Wilson, Jr.

### SEATTLE MAN NOT IMPRESSED BY GAMA, INDIAN WRESTLER

JAMES D. THAGARD, of Seattle, saw Dr. Roller when he discovered quite by accident that Roller's ribs were sore. Then he kept digging and punching away at the sore spots until he was worn out and had to succumb. Had Roller not been injured in that fall, I doubt very much if Gama could have thrown him, for Roller appeared to be in much better condition than his dark-skinned antagonist.

"Gama is quick as a cat and he looks as fast as a horse. He wears only a breach cloth when on the mat, and his legs and feet look so hard that it does not seem possible to prick the flesh with a pin. They may call him a champion, but Gama is not a champion. Frank Gotch I shall be very much surprised.

After three weeks of light training under Captain Burke, the football squad at the Broadway High School is expected at Broadway. The squad under Burke has been doing light work, and the best of the squad is expected to follow Borleske in a season of strict training.

### LOCAL JAP TEAM TO PLAY CHICAGO BOYS

The University of Chicago baseball team, on the longest tour ever undertaken by a college team, will be in Seattle next week. The team is expected to play at the University of Chicago stadium in a game at Duane's park. The Mikadoes are the Japanese champions of the West Coast, and the rivalry between the Jap nine and the Orient ought to be just what to invade the Chicago nine came within a step of winning the western intercollegiate championship last year.

### DIXIE II. SWIFTEST BOAT ON GREAT LAKES

BUFFALO, Saturday, Sept. 3.—Dixie II, another race to its long list of victories by winning the D. R. Thomas \$2,000 trophy and the champion of the Great Lakes for motor boats here today.
