

enough pledges now to pass the measure through the House. The gloves are two-ounces heavier than those used in regular ring battles and the new decision clause cuts out the betting feature.

ALIENS WITH WEAPONS MUST HAVE LICENSE

OLYMPIA, Friday, Feb. 10.—The Senate passed the bill this morning providing that aliens who carry fire arms must have a license. The fee is

fixed at \$15. The bill is to prevent Japanese from having weapons as no permit will be granted unless resident consul vouches for applicant.

SAVED FROM DEFEAT

OLYMPIA, Friday, Feb. 10.—Senate Bill 178, authorizing the state auditor to call annual conventions of county auditors and treasurers for discussing office methods, the county commissioners to pay traveling expenses of their officers, was saved from defeat by a hurried reference of it to the judiciary committee.
