

LABOR TO REJOICE

Grand Demonstration Monday to Honor Early Closing.

Local Organizations Will Parade, Delighted at the Victory in Re-half of Universal Closing.

Probably one of the largest turnouts of organized labor ever seen in this city except on Labor Day will take place Monday evening. A torchlight, uniformed procession of over 3000 men will parade, led by three and possibly four brass bands and several drum corps.

WARRANT FOR CORONER

County Official to Be Arrested Tonight for Refusing Death Certificate.

Joe Smock, opium fiend, died a week ago, and his body has not yet been assigned to mother earth. Coroner Sparling, who has charge of the remains, a death certificate. The latter has postponed burial from day to day, hoping that Mr. Sparling would change his mind. The coroner, however, has refused to give the death certificate until he is given a fee of \$5.

HOWES GETS NEW TRIAL

Judge Benson Rules in His Favor Today.

Arthur F. Howes, machinist and brewer, who was convicted by a jury in the Superior Court last week on a charge of adultery with Rosa Van Horn Young, will not be deprived of his liberty on account of the verdict, but according to the ruling of Judge Benson delivered this morning on a motion for a new trial by Howes' attorneys, is entitled to another opportunity to prove his innocence before twelve of his peers.

MANY JAPS ARRESTED

Number Smuggled in Landed Near Ballard Today.

A score or more Japanese, one report saying thirty-seven, were arrested in Ballard this morning by the Town Marshal, as they had evidently been smuggled into

United States territory from British Columbia. The foreigners had, it is understood, no papers, and immigrant inspector Snyder immediately notified the town marshal. The Japs were landed in Salmon Bay and proceeded to Ballard.

FIREMEN INCENSED

Do Not Take Their Refusals by Civil Service Kindly.

Several members of the city fire department who made application to try the civil service promotion examinations and were refused are making a vigorous protest. The commissioners rejected the applications of six firemen on the grounds that they were unfit to try the examinations.

Curley-Russell Fight

The principals and backers of the Curley-Russell fight, which will be pulled off at the Cascade tunnel Saturday night, met this afternoon and completed all the details of the contest. The remainder of the side bet, \$100 a side, was deposited with the sporting editor of The Times, so that now the total amount of the stakes has been posted. A referee was easily agreed on, Dave Blake being chosen for that position.

Superior Court Cases

The following new suits were filed in the Superior Court today: William and Mary Gillespie, for possession of real estate. Oregon Mortgage Company vs. H. D. Prendergrast, action to quiet title to real estate.

Receivers Final Accounting

The receiver of the Washington Planning Mill, a concern which has been in the hands of the court for the past twelve months, today filed a report of final accounting in the equity department of the Superior Court. The statement shows that, after paying the numerous claims of creditors, the receiver had left in his possession funds amounting to \$324.54 which has been applied towards the liquidation of the ordinary claims against the firm.

Files Her Answer

In the suit now pending in the Superior Court which was brought by Mrs. E. C. Bailey against her husband, the plaintiff has filed an answer to the allegations of her husband's attorney. The answer denies all the allegations made in the defendant's answer and cross-complaint. The suit bids fair to be a long one, as the plaintiff has come to issue in the criminal department.

ALL AT SEA

Regarding Who Will Be Leader of Victorious Forces.

The accepted story of how it was that defeat was brought to the government Saturday is as follows: An agreement was made, it is said, signed by each between Kellie, Kilduff and Joe Martin, where by Martin was to support the redistribution bill until it got into committee, and then it had proceeded thus far the two government members promised that they would see that the government went to the country. Martin acted faithfully to his agreement until yesterday. He had been told that the government was endeavoring to form a coalition and then he decided that it was the time for the end.

NATIONAL EDUCATORS

President Butler Addresses the Annual Conference.

Associated Press Dispatch. CHICAGO, Tuesday, Feb. 27.—The annual conference of the National Education Association opened in University City today. The department members among its members more than forty presidents and many professors and superintendents of schools. The large audience which gathered today included some of the most distinguished educators in the country. Superintendent Andrews of Chicago delivered the opening address and after a reference to the general situation of the association, Nicholas Murray Butler of Columbia University was introduced to speak on the "Status of Education at the Close of the Century."

SEATTLE DEMOCRATIC CLUB

All members of the Seattle Democratic Club are requested and expected to be at Democratic headquarters in the Pacific block at 7:30 o'clock tomorrow, Wednesday evening, to march with the club in a body to Army hall, where a general campaign rally will be held. The executive committee of the club is sending out notices to members today with a view to securing as full attendance as possible.

POLITICAL NOTES

Leaders of the Social Democrats have issued a call for a meeting to be held at Army Hall Thursday night. Issues of the local campaign will be discussed by several speakers, among whom Dr. H. F. Tiltus, Judge Richard Winsor, A. G. Seibert and W. C. B. Randolph are announced to speak.

It was agreed last night by the central committee of the Social Democrats to substitute the name of A. G. Seibert for that of W. C. B. Randolph at the head of the ticket for the approaching city election. The name of Seibert has not been mentioned in the city long enough to be eligible to the office of Mayor under the provisions of the charter. Mr. Seibert was first nominated to head the ticket on May 10, but was afterwards withdrawn at his own request. The other nominees on the same ticket are as follows:

Corporation Counsel, David W. Phillips; comptroller, H. C. W. Knust; treasurer, Lyman Wood; councilmen-at-large, James Moran and J. T. Parker; councilmen: First Ward, G. F. Ficks; Second Ward, W. H. White; Third Ward, George W. Hill; Fourth Ward, J. J. Fraser; Fifth Ward, H. C. Crockett; Sixth Ward, E. W. Stadelman; Seventh Ward, H. W. Giddard; Eighth Ward, L. W. Kidd; Ninth Ward, Lee Smith.

Republicans of the Fourth Ward will hold a rally tonight at the Republican city headquarters in the New York Block. Among the speakers for the occasion are Mayor Humes and Will H. Morris.

THE ARMORY MEETING

Union Forces Will Orate Tomorrow Evening.

The Union campaign meeting for tomorrow night at Army Hall promises to be as important and interesting as any of the kind held in the city. The meeting will begin at 8 o'clock sharp. J. M. Carson, the well-known attorney, has been selected to preside over the meeting. Four of the best speakers in the city are assured and every one of them will be cogent in argument and dignified in utterance. The speakers selected to lead the meeting are George F. Cottrell, candidate for mayor on the Union ticket; Hon. W. H. White, Judge J. A. McDonald and Judge A. W. Hastie. Every speech will be worth hearing.

REPUBLICAN MEETING

Mayor Humes and Others Address Their Supporters.

Several of the candidates on the Republican city ticket addressed a miscellaneous crowd at Army Hall last night, the occasion being the first formal campaign rally of the Republican forces. The hall was well filled, but the audience was by no means as large as the Republican voters. Mayor George Wagner's band in the front, led the way to the hall.

Administration for the Treaty

WASHINGTON, D. C., Tuesday, Feb. 27.—Senator Perkins secured the support of the attitude of the administration in regard to the Hay-Pauncefote convention, which may be stated as the result of careful inquiry that the president and the cabinet are in favor of the treaty. The treaty is in the opinion of the administration a step toward solving the problem of building an isthmian canal across the Isthmus of Panama.

Trade With Hawaii

WASHINGTON, D. C., Tuesday, Feb. 27.—Senator Perkins secured the support of an amendment in the Hawaiian bill today, providing that the coastwise trade regulations of the United States shall be extended to the Hawaiian Islands. This amendment is in the opinion of the administration a step toward solving the problem of building an isthmian canal across the Isthmus of Panama.

Weary Toilers Strive to Reach Entombed Miner.

Black Diamond Miners Tunneling Through 100 Feet of Earth to Reach Body of Comrade. Davis, the unfortunate miner imprisoned in the death trap at the Black Diamond mine No. 14, has not yet been recovered. S. T. Grogan, a foreman on one of the coal mines, and one of the men who tried to reach Davis' body immediately after the explosion, arrived in the city yesterday from Black Diamond. Men race still striving to enter the place where the dead miner's body is supposed to be. There is no doubt but what he is dead, for he has been imprisoned a week, but the mine seven days, without food, so that even if he escaped suffocation from foul gas or lack of fresh air, he must have surely died of starvation.

Petition for Free Trade

Associated Press Dispatch. WASHINGTON, D. C., Tuesday, Feb. 27.—Secretary Root has sent to the Senate a letter from General Davis, with a petition from Porto Rican citizens asking for free trade with the United States. In the letter, General Davis says: "I transmit five petitions, which are signed by several hundred tobacco merchants, growers and manufacturers, asking for the removal of the tariff on tobacco from the United States so that some market may be found for not only the surplus crop of 1888 and 1889, but also for the mauling crop of 1890. The surplus crop of 1888 and 1889 for export is about 1,500,000 pounds, and the portion of the mauling crop which will not be required for local consumption is estimated at about 2,000,000 pounds. In my frequent reports to the department I have fully stated the gravity of the industrial situation. I cannot in any words at my command overstate the urgency and gravity of the industrial paralysis existing in Porto Rico."

WORK ON FIRE BOAT

Being Done by Day's Labor—Brewster in Charge.

Neither those who protested against the employment of Nick Kellez in the repair work on the fireboat Squonamie nor that individual got the work to do. A shipyard named Brewster has been awarded the work, which is being done by day's labor. In the mention made of the protests to giving the work to Kellez in one of the papers it is stated that the protesting party wanted Kellez discharged. That personage for himself says he was never employed in the work and could not, therefore, be discharged.

RAILROAD NOTES

W. C. Chase of St. Paul, superintendent of the dining car service on the Great Northern, was in the city today, stopping at the Butler. He leaves for the East this afternoon. J. H. Mitchell, Jr., formerly assistant general counsel for the Northern Pacific at St. Paul, is in the city today, stopping at the Butler.

George Bruce, engineer on the Fergus Falls division of the Great Northern, succeeds T. J. Roope as master mechanic of the Willmar division. It is stated that an entire new set of machinery for the general mechanic of the Eastern division has been created, and that Mr. Roope will be placed in charge of it.

The Burlington Railway Company has announced semi-officially that there will be a change of time on the passenger train entering the Black Hills about May 1, when the Omaha-Portland train is put on. It is expected that this Portland train will be of great value to the Black Hills, since the Burlington Company will make extra arrangements to advertise the Hills as a summer resort.

R. W. Foster, city ticket agent of the Burlington at Portland, came up this morning to make a business trip, expecting to return tonight. The Northern Pacific, Great Northern, Soo line, Chicago, Milwaukee & St. Paul and all roads operating in North Dakota will reduce the passenger tariffs to three cents per mile on April 1. This statement was officially confirmed yesterday at Great Northern headquarters.

The Great Northern issued a circular yesterday announcing exceptions from St. Paul and Minneapolis, Duluth and West Superior to points on the line north and west, for the stimulation of home-seeker business and to give landseekers a chance to investigate the merits of the Northwest.

Two Union Meetings

There will be a meeting of the Union for the Blind's Hall, Fremont, Thursday night, March 1; and of the Union for the Deaf, Friday night, March 2. George F. Cottrell, candidate for mayor; Clark Davison and candidates for other offices will be the speakers of the evening.

Grand Composite Rally

There will be a grand rally of the composite party at the Armory tomorrow night. There will be a number of good speakers present, good music and all the candidates will be on the platform.

The Treatment Given Under the \$5.00 Rate Not a Cheap Treatment, But the New and Wonderful Treatment That Has Thrilled the World With Its Record of Cures.

Priceless Benefit At a Merely Nominal Cost

Mr. Henry Austin, Whatcom, Wash., a pioneer resident of the Bellingham Bay country, having located the best home on beautiful Lake Whatcom, tells of the efficient manner in which the Copeland

Dr. Copeland is not accommodating his practice to the rate. He is giving the rate, maintaining the practice and treatment at the same standard that it has been from the beginning.

It is "The Treatment That Cures" that all who are taking advantage of this rate are getting—the wonderful treatment that has lifted the darkness and blight of the world "incurable" from these hundreds of thousands of cases of Catarrh in the Throat, Bronchial Tubes and Lungs—

That reaches the deepest part of the nostrils of the nose to the deepest part of the lungs and innermost recesses of the middle ear, and instead of irritating and inflaming and feeding the fires of disease soothes, quiets, heals and cures.

Dr. Copeland is giving under this rate as well the benefit of the Discovery in deafness, which has lifted the darkness and blight of the world "incurable" from these hundreds of thousands of cases of impaired hearing.

All new patients applying for treatment and all old patients renewing treatment under this rate "N.T.P." (N.T.P.) the uniform rate of \$5 a month, medicines included.

When You Need Medical Treatment Get the Best.

Mr. W. S. Case, Brooklyn, Seattle, Wash., connected with the Queen City Manufacturing Company, telling of the happy effects of the Copeland treatment in curing him of chronic catarrh of the head and throat, accompanied by ringing noises and partial deafness, said:

"For the past ten years I have been afflicted with an obstinate catarrh of the nostrils, dropping the mucus from the head, which kept me clearing my throat almost continually, and with chronic soreness and swelling of the tonsils. I was forced to breathe through the mouth, my tongue and throat were always parched and dry, which was very disagreeable at all times, but more particularly so at night, when my rest was greatly broken. I seemed to have

Colds All the Time

and for more than a year I was never free from this trouble—winter and summer it was just the same—and at last the ringing noises in my head, with the gradually increasing deafness of hearing, informed me that the disease had found its way into the tubes of the ears.

In reading the announcements published each week by the Copeland physicians, I discovered several cases very similar to my own, and very naturally I decided to seek a cure where it had been found by so many other victims of chronic disease.

I Have Succeeded Perfectly.

As I am now free from the malady that troubled me so long, and I most cordially endorse the treatment of the Copeland physicians, which has been of infinite benefit to me."

Quarter of a Century

As I now am with the results of my treatment, it has brought me a cure, as well as to express the pleasure of breathing freely in the natural manner experienced by one to whom this has been denied for many years, and I can only say that in my case the Copeland treatment has been a most complete and brilliant success. The cost has been trifling, but the benefit is priceless."
