

# BICYCLES AT A DISCOUNT

## Piper & Taft Have Created a Real Stir in the Wheel Business.

### ALL THE GLOBE WALL PAPER CO.'S

## Wheels Have Been Placed on Sale With a View of Closing Them Out at Once.

The first real bargain sale of bicycles was a pronounced success. Nothing of a similar nature has happened in the Northwest and the time apparently is ripe for just such a sensation.

### "THE MANSON"

Is not to be lost sight of. It has the place of honor here. The Manson is the original three crown wheel, a feature which added great strength and gracefulness of outline.

### \$30 AND \$40

Concerning bicycle repairs: Our shop has a complete factory equipment. We have skillful men employed and jobs done promptly.

### PROTECTING THE BOYS

#### Japanese Owner of a Billiard Parlor Is Rebuked by Judge Cann.

In passing sentence upon a Japanese who had been found guilty of permitting young boys to frequent his billiard parlors in the Tenderloin district, Judge Cann this morning denounced in vigorous terms the practice of sending young boys, or permitting them to visit, places of questionable repute.

### A BAD CASE

#### Beggar Threatens to Kill the Officer Who Arrested Him.

Joe Real, a young man who possesses a villainous cast of countenance, smiled sardonically in the police court this morning when he was charged with having begged on the streets and threatened to kill a citizen when he was refused money.

### NEW N. P. CARD

#### "A Consummation Devoutly to Be Wished"

#### By Enemies of Seattle—"New" Appliances, Seven Years Old on Other Roads, Extolled to the Skies, as If Really Modern.

Railroad men are smiling quietly at a long and fulsome article which appeared last Wednesday morning extolling the merits of the new time card and train service of the Northern Pacific Railway Company.

Even the "chairs" are not forgotten in this inventory. The "railing" on the rear platform comes in for special mention, and "ventilators" and "transoms" are emphasized as if they had been hitherto unknown in the world of railway equipment.

### FOR THE DEFENSE

#### Mrs. Shomo Testifies in Favor of Her Husband.

#### Denies That the Latter Fired a Shot at Anybody—After the Witnesses.

The feature of the testimony in the Shomo murder case today was that given by Mrs. Shomo, wife of the accused man. The witness is a little, pale-faced, nervous woman, who seems to be in ill health. Her testimony was begun an hour before adjournment of court yesterday afternoon.

### HE WAS MERCIFUL

#### Judge Cann Sends Morphine Fiends to a Physician.

#### Two Unfortunate Women Who Cannot Give Up the Habit. Very Sad Case.

A painful scene was witnessed in Judge Cann's court this morning, when three confirmed morphine users were arraigned.

### FOR MEN

#### GREY GLOVES

Men surely have the same preferences as regards correctness of dress. Why should not a gentleman use sound judgment in selecting gloves for Easter?

# BAILLARGEON'S

Weekly Papers Consolidated. The Herald and The Saturday Mail have been consolidated under the name of The Seattle Mail and Herald.

### RAILROAD NOTES

The Great Northern is planning several changes in time on the Sioux City line, which will go into effect during the next two months.

### CAUTION TO THE PUBLIC.

Look Out for Directory Frauds. At frequent intervals our business interests are raided by advertising fakirs, who, representing a plausible scheme, with smooth speech and well turned phrase, succeed in their design to rob by collecting money in advance from busy men, and then skip out and are never heard of again.
