THE RETURN OF TARZAN

A Human Shield

By EDGAR RICE BURROUGHS

Tarzan showed no signs of anger as he stood up. A half smile played about his lips, but of a sudden a great fist shot into the face of the scowling Arab, and back of it were the mighty muscles of the ape-man. At the instant the fellow fell, a dozen fierce plainmen sprang into the room.

With cries of "Kill the unbeliever!" and "Down with the Christian dog," they made straight for Tarzan. Other Arabs in the cafe sprang forward to join in the assault upon the unarmed white man. Tarzan was rushed backward before the numbers opposing him. With drawn knife, Abdul fought by his side.

With tremendous blows the ape-man felled all who came in reach of his powerful hands. So closely packed was the howling, cursing mob, that no weapon could be used. Finally Tarzan succeeded in seizing one of the nearest attackers and, with a quick wrench, disarmed him.

Holding this Arab before them as a shield, he backed slowly toward the little door leading into the courtyard. At the entrance he paused an instant, and lifting the struggling fellow above his head, hurled him, as from a catapult, full in the faces of the onrushing mob.

TAYOS CAPTURE JAPANESE GRID TITLE WITH WIN

Nippons Handed 7 to 0 Defeat; Rainiers Take Measure of South End, 6 to 0; Games Wind Up Season.

HUSKY FRANK SUGIYAMA, breaking through the Nippon line and then cutting back to elude the secondary defenses, yesterday accounted for the touchdown that gave the Taylo Athletic Club a 7 to 0 victory over the Nippon A. C. at the Civic Stadium in the final Community Football League game of the season.

When little Johnny Funal, Taylo quarterback, converted the try for point, he put the finishing touch on the win that gave the Taylos the Japanese grid title of the city for the season.

The game was the second of the double bill that found South End losing to Rainier District, 6 to 0, in the first tussle as a result of Harry Burgh's smashing drive that ended in a touchdown when he crashed the line at right end.

The work of Jack Kiba, Mike Izumi and Tom Takayoshi, along with Funal and Kenny Kuyuki, featured in the Taylo victory. The Nippon A. C. opened up a drive in the first quarter that carried it to the Taylo 7-yard line but an incomplete pass over the goal line ended the scoring chance.

Coaches Ham Green and Claude Norris of the Nippons had a flashy, well-drilled team on the field, built around Sakai Arai, Choppie Uemoto and Kelley Uno. The latter made the most consistent gains of any backfield man on either team.

STRIKES AND SPARES. IN the 400 class for the last several weeks and standing about midway in the individual average column of the Commercial League, Easter of the Augustine & Kyer quintet hit a streak of good luck and a lot of pins for the top score of last week's play, a 600. He holds the best individual ten frame average in the hoop to boot, a 288.

Nagel, one of the big guns of the Commercial circuit, holds the hoop's high thirty-frame score, a 662. Two other bowlers who snagged their share of the maple last week are Frank Kelly and Guy Hedreen, both totaling well over the 200 score.

Local Grid Champs Turn Down Big Game. (Continued From Page 19.) the Church League open basketball races.

Benson Rivals Walker. WHILE on the subject of hockey, it might be well to mention that Jack Walker has a rival for popularity on the Seattle Eskimos in the person of Bobby Benson.

Bobby has been playing splendid hockey all season, but when he stepped into the nets last Friday against Victoria, when Hal Winkler had been chased to the bench for a two-minute penalty session, and saved everything fired at him, he became a hero.

Hanson to Meet Stecher In Wrestling Go Tonight

JOE STECHER, former world's heavywrestling champion, will show his wares this evening to Seattle fans when he meets Charley Hanson, husky Scandinavian, in the main event of the mat show at the Civic Auditorium.

The former champion is making his first appearance before local fans. Hanson, who is well known hereabouts, won the right to oppose the former titleholder by scoring victories over Ted Thye, Bob Kruse, August Sepp and Andre Adoree in previous bouts.

Stecher is the foremost wrestling exponent of the scissors hold and he has made this gripping grip his favorite stock in trade at the mat game. Hanson is a headlock artist.

In two preliminaries of three rounds each, Chet Wilkes of Portland tangles with Bill Thornton in the semifinal spot, and "Flash" Kelley opposes Bill Coggins in the opening mix.

The show opens at 8:30.
