GARFIELD COMES BACK

CHICAGO, Saturday, April 23.—(P)
—Johnny Welch, young righthanded pitcher sent on option to Los Angeles by the Cubs, has bounced back again. Commissioner K. M. Landis decided Welch, who was out on option to Reading of the International League last year, had been out on option often enough. The Cubs either must keep or release him. Garfield, beaten a week ago by Broadway, 11 to 0, retorted yesterday with a hitting barrage which to a certain extent assuaged their hitstarved souls. They beat Cleveland, 17 to 4, on the Hiawatha grounds.

Led by Eddie Genung, team captain and National A. A. U. half-mile champ, the Huskies flashed marks that indicated the Purple and Gold will be impressive in the 1932 cam-

1:554 haif mile.

In neither event was the Husky champion run out. He played with his field in the half and could have cut considerable time off had he been so inclined. In the quarter he and Tabby Hartley, W. A. C. star who is training for the Olympics, staged a beautiful race which Genung took by a yard. He looked all over a champion.

champion.

Clarence Bledsoe delivered another century that was given as 9.9. In reality he shaded that figure slightly and was nearer 9.8 than the latter figure. This race on top of the 9.9 he ran last Saturday shows the sprinter is coming to his best speed. In the 220 he did not have the foundation and was fourth in a heat that was won by Barnes in 22.4.

The mile was a thriller and was won by Junney Weber in the exceptional time of 4:21.8. Weber took the measure of Ken Rhuddy, his teammate, by two yards in a driving, fighting finish. This was Weber's first win over Rhuddy since the first indoor trials of the season.

The two-mile was good, with showman added a new leaf to the wrestling booklet last night when he used a combination of three different holds in the fourth round of his bout with Bobby Bylund to win in the main event on the Greater Athletic Club's weekly mat program at the Civic Arena.

Higami, after using a series of whip wristlocks, followed by several flying, tackles, climaxed his campaign for victory with an aeroplane spin to win the odd fall of the contest.

Bylund gained the first fall of the bout in the opening round with a body slam and a top body hold. The colorful Higami evened the score in the third round with a double-arm lock and followed with his combination attack, a round later to win the used a combination of three different

Dan Bracken gave an exhibition of great merit when he took the high hurdles in 15.1 and the lows in 22.6. The highs were especially fast for this time of the year. The field events did not sparkle as did the track contests. Cairney was ten feet under his best mark in winning the javelin.

All in all, it was a big night for the Japanese wrestling fraternity, since lota Shima succeeded in holding the clever Indian wrestler, Yaqui Joe, to a draw in the semiwindup. Both boys scored a fall, Yaqui Joe taking the first in the third round with a flying techold and Shima following to win his fall in the fourth frame with a series of whip wristocks.

"Silent" Condell, amiable mute, copped his third straight Seattle victory in the special event. The deaf and dumb grappler scored in successive falls over. "Roughhouse" Billy Coggins of Tacoma.

The Giants have begun to display the form that featured their exhibition games and established them among the favorites in the National League race. Terry has had a big part in the uprising. In the last four days the big first baseman from Memphis has clubbed six home runs, tying the major league record for circuit blows over that period, and has led his mates in driving in runs. Thanks largely to four errors by their opponents, the St. Louis Cardinals broke a six-game losing streak with a 5-to-3 win over Pittsburgh in ten innings.

Rogers Hornsby's Chicago Cubs strengthened their grip on second place with their second straight win over the slipping Reds, 5 to 4. They grouped seven of their eight hits in the first three innings off Larry Ben-tor.

Whitlow Wyatt, Detroit's sen-sational rookie, scored his third victory in as many starts as the Tigers rolled up a 16-to-3 decision over the Cleveland Indians.

The battling Boston Braves took a firmer grip on first place, winning their fourth straight when Bobby Brown, rookie righthander from Binghamton, made his major league debut by setting Brooklyn down, 4 to 1, on five hits.

Beaten by the blond Texan in the

Playing the most brilliant singles of his carreer, Allison has

As a matter of fact, it becomes more and more difficult to see how Allison is going to be kept from playing Davis Cup singles.

Allison gave Shields only five games in winning, 6-2, 6-2, 6-1. Vines, although he won in straight sets from Dr. Eugene Mc Caluiff; was forced to one duce set at 8-6, 6-4, 6-4.

In doubles, the final round pitted Vines and Shields against Marcel Rainville and McCauliff. This latter pair sprang a big upset when they conquered Van Ryn and Allison, 4-6, 6-4, 6-3.

The women's singles championship, first to be decided, went to Virginia Hilleary who defeated Mrs. Van Ryn, 6-3, 1-6, 917, in the all-Philadelphia final.
