

JAPANESE ON STRIKE.

**Four Hundred Mill Hands Object to
Having Wages Cut.**

NEW WESTMINSTER. Thursday,
Jan. 19.—Four hundred Japanese mill
hands are out on strike in this city.
After roll call yesterday morning in the
three big mills here the Japanese were
informed that their wages would be cut
down from \$1.50 to \$1.20 per day. The
Japanese objected and struck. The mills
cannot do without this cheap labor and
the matter of compensation will be made
the subject of a conference tonight.
