

ALIENS TAKEN TO INTERNMENT

Between 50 and 60 of the 158 enemy aliens arrested here last week in a round-up by the Federal Bureau of Investigation, already have been transferred to interment camps from detention quarters of the immigration station it was learned today.

Some of the aliens were sent to Fort Missoula, Mont., and another group was transferred to an undisclosed camp. It was understood that those transferred were believed the most dangerous.

The group sent from Seattle included only Japanese and German nationals.
