## MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve narxing backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, less of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or canty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

VANCOUVER, B. C., Jan. 13.—
Two Japanese-owned fish bo ats, chosen by a special committee from the thousands seized foilowing outbreak of war in the Pacific, will soon become fireboats whose special duty it will be to protect Vancouver's big harbor from Japanese incendiary bombs and sabotage.

Both boats are seine-type and they will be equipped with powerful pumps taken from the old Vancouver fireboat Pluvius some five years ago.

Only drawback is that both vessels are wooden, but Fire Chief J. H. DeGraves says that this handicap can be overcome by the installation of special spray systems. The fireboat committee must get permission from the navy to take over the Japanese-owned vessels. They will be chartered, or perhaps purchased outright.
