U.S. JAPANESE TO TALK EVACUATION

Floyd Schmoer, instructor in the College of Forestry, University of Washington, will address the Y. W. C. A. Japanese Club at 8:30 o'clock tonight in the Y. W. C. A. His topic will be "Enemy Alien Evacuation."

The club has 200 members, all employed Japanese boys and girls who were born in America. A round-table discussion will follow Schmoer's talk, in which he will attempt to clear up Pacific Northwest evacuation problems directly affecting this group.

Young Horthy To Succeed His Father

BUDAPEST, Thursday, Feb. 19.—(From Italian Broadcasts)—(AP)—The Hungarian Parliament today elected Istvan Horthy vice regent of Hungary after his father, 73-year-old Adm. Nicholas Horthy, the regent, had submitted three candidates from whom parliament could choose his successor as chief of state in event of his death or illness. The younger Horthy was elected by a large majority and was promptly inducted into office.

U. Dance Aides Have Headache

Two thousand complimentary tickets to the University of Washington Junior Prom, to be held March 6, today gave student dance officials a slight headache and delayed the start of ticket sales.

The 2,000 "comps" were printed by mistake. Several hundred, at the most, will be used. Two thousand new tickets, at full price, will be printed.

The number of persons employed in chemical industries in Switzerland has nearly tripled in 50 years.

Asthma Mucus Loosened First Day for Thousands

Do recurring attacks of Bronchial Asthma make you choke, gasp and gasp for breath? Are you bothered so bad some nights that you can't sleep? Do you cough and cough trying to raise thick strangling mucus, and strain so hard you fear rupture? Are some attacks so bad you feel weak, unable to work? Are you afraid of colds, exposure and certain foods?

No matter how long you have suffered of what you have tried, we believe there is good news and palliative hope for you in a new, old medicine which was originally a doctor's prescription but that is now available to sufferers at all drug stores under the name of **Mendaco**.

Mendaco usually works very rapidly because it contains ingredients intended to help nature loosen thick, strangling excess mucus. And you know from your own experience if you can just raise that strangling phlegm you can sleep well, breathe deeply of God's fresh air and not feel like there was an iron band around your chest crushing out your very life.

Money Back Guarantee

Mendaco is not a dope, smoke, injection or spray, but is in pleasant, tasteless tablets. Formulas on every package. In fact Mendaco has proved such a great palliative success for thousands suffering recurring choking, strangling symptoms of Bronchial Asthma that a printed guarantee with each package insures an immediate refund of your money on return of empty package unless you are completely satisfied. Under this money back guarantee you have everything to gain and nothing to lose, so ask your druggist for Mendaco today and put it to the test. Only 60¢. (Advertisement)
