

# NISEI REAFFIRM LOYALTY TO U. S.

**IN LOS ANGELES LAST NIGHT** Four girls add their names to a petition to the President reaffirming their allegiance to the United States and pledging "all-out energy to defeat Japan and the Axis," after a mass meeting of Nisei, second-generation Japanese who are

American citizens, who took steps to form a central organization to cooperate in U. S. war activities. The girls (left to right) are Sadae Nomura, Martha Kalhatsu, Coralee Noshita and Margaret Matsumoto.—The Nisei protested the proposed evacuation of loyal Japanese from Coast areas.—A. P. wirephoto.
