

STEEL PAY-RAISE HEARING OPENED

WASHINGTON, Feb. 26.—(AP)—“Little Steel” opened its fight before the War Labor Board today against the Congress of Industrial Organizations’ demand for a union-shop contract and basic wage increases of \$1 a day for the industry’s 182,000 employees.

Today’s hearing before a three-man panel was confined to a discussion of procedure. Actual fact-finding hearings are expected to begin next week.

Companies principally concerned are Bethlehem, Youngstown Sheet & Tube, Inland and Republic but the board’s decision is awaited by both industry and labor as a possible pattern for future disputes involving the controversial questions of union security and higher wages.

Demands for establishment of a policy on these two issues have been recently in Congress, and by representatives of government, labor and industry.

The board itself indicated in a recent decision involving the Phelps-Dodge Corporation that it would welcome such a policy, when it said: “The question of additional union security should be deferred to later negotiations between the parties which may be undertaken in the event an authoritative national policy is enacted respecting the matter.”

The board panel is composed of Arthur S. Meyer, chairman, representing the public; Cyrus Ching, representing employers, and Richard T. Frankenstein, labor’s representative.

Negroes Take Over Japanese ‘Redcap’ Jobs

Negroes were employed today at the Union Station to replace the 14 Japanese “redcaps” who had been serving at the railroad station for years as baggage carriers and porters.

Arthur A. Murphy, assistant to President W. M. Jeffers of the Union Pacific Railroad, said the change had been made on Jeffers’ order, because it was believed it would be “better for all concerned if the service of the Japanese were terminated.”

The Japanese include five aliens and nine American-born Japanese. Their service ranges from one to 30 years. One holds an honorable discharge from the United States Navy.

Some of the new employees were transferred from Portland, Ore. Others are new to the “redcap” service.

Murphy said a “few” Japanese section workers, outside this state, also had been discharged by the Union Pacific.

Nineteen Japanese “redcaps”—12 aliens and 7 American-born workers—still were employed today at the King Street Station, pending definite instructions from the Federal Bureau of Investigation.

PROMOTION OF 20 OFFICERS ASKED

WASHINGTON, Feb. 26.—(AP)—President Roosevelt sent to the Senate yesterday the nominations of 20 Army officers for promotion. Most of them now command combat units.

Brig. Gen. Joseph W. Stillwell, of Yonkers, N. Y., formerly on duty at the Presidio of Monterey, Calif., and now assigned to a special mission, was nominated for promotion to lieutenant general.

Brig. Gen. James A. Ulio was nominated to succeed Maj. Gen. Emory S. Adams as Adjutant General of the Army, with the rank of major general.

General Ulio, whose home is in Fargo, N. D., has been assistant adjutant general since December 28, 1939. Born in Walla Walla, Wash., on June 29, 1882, he enlisted in the Army when he was 18, and served as a private, corporal and battalion sergeant major before he was commissioned a second lieutenant of Infantry in 1904.

Ulio Awarded D. S. M.

General Ulio served in France during the First World War and later in Armenia as assistant chief of staff for supplies. He received the Distinguished Service Medal for staff duty in France, and was decorated also by France, Italy, Montenegro, Panama, Serbia and Greece.

Adams will retire Saturday afternoon at 43 years of service. His home is in Manhattan, Kas., where he was born February 6, 1881.

Among six brigadier generals nominated for promotion to major general was Ralph M. C. Pennell of Belton, S. C., now commanding the 27th Division, New York National Guard, at Fort McClellan, Ala.

TRAIN HITS ARMY BUS; 7 KILLED

ENID, Okla., Feb. 26.—(AP)—A Rock Island freight train ripped through a bus today killing seven men of the Army Air Corps.

Twenty-four others were injured in the crash, which occurred in a blinding snow storm, half a mile west of Enid.

The list of dead supplied by Capt. Calvin W. Hammond, press-relations officer of the Enid Flying School:

Pvt. Herbert J. Taylor, 22 years old, Lake Kerr, Fla.; Pvt. Eugene L. Underwood, 23, Rosersville, Pa.; Sgt. Eugene J. Sanders, 26, Youkum, Tex.; Pvt. Vernon Ohnsted, 26, Georgetown, Minn.; Pvt. Robert W. Walker, 28, Bay City, Tex.; Pvt. Cyril J. Minarcik, 21, Chicago, and Pvt. John Ludlum, 25, Battle Creek, Mich.

There were no witnesses to the accident other than the men in the bus and train crew, Captain Hammond said.

Staff Sgt. Ernest M. Shults, 29, Forrestburg, Tenn., was injured critically.

Jacob O. Luechest, 22, San Jose, Calif., and Robert L. Roman, 19, San Leandro, Calif., were less seriously injured. Roman was released from a hospital after treatment.

Driver of the bus, which operates between the air base and the city of Enid, was Wendell Thomas Smith, 28, a civilian. Extent of his injuries was not known.

Captain Hammond said Smith evidently was blinded by the swirling snow.

Maj. W. A. Stephens, post adjutant of the Enid Flying School, said the bus carried between 35 and 40 men. The accident occurred about 12:20 a. m. at a grade crossing a half mile west of Enid.

None of the men was a pilot. Major Stephens said.

1 Dead, 6 Hurt As Engine, Car Hit in Tunnel

One man was killed and six others were injured when a Northern Pacific switch engine collided with a handcar in the Great Northern tunnel under the railroad business district at 9:45 o'clock today.

Keuchi Tajiri, 33 years old, an alien Japanese, was killed. He lived at the King Street Station Section house. The injured included four Japanese and two Filipinos.

E. H. Anderson, engineer on the switch engine, told Harlan S. Callahan, chief deputy coroner, that he was backing his engine south on a track for northbound traffic. The accident occurred about half a mile from the south portal.

"We had just taken a wrecker to another switch engine, which had jumped the track at the Bell Street Terminal," Anderson said. "There was a thick haze in the tunnel because another engine recently had rone through. The engine was proceeding about four or five miles an hour when the handcar loomed up."

The injured: Genichi Takahashi, 39, alien Japanese, serious chest injuries; Sotero S. Tanginan, 42, Filipino, fractured arm and severe head injuries; Takematsu Niimi, 63, alien Japanese, cerebral concussion; Mateo Sevilla, 43, Filipino; Shigesaburo Kato, 64, alien Japanese, and Schinchi Kitomura, 24, American-born Japanese, minor injuries.

Owner Learns Of Auto Theft After Recovery

Two youths stole a 1942 sedan belonging to Charles Tipple of Auburn early this morning, but the owner had no knowledge of the theft until sheriff's deputies notified him by telephone.

The deputies, Jack Ray and Fred Watson, saw two youths, about 19 years old, disappear behind Marnos' tavern at 9700 E. Marginal Way at 1:30 o'clock this morning.

When the deputies investigated, the youths sped away in the car. The deputies pursued them but the machine disappeared near a suburban night club.

The deputies checked automobiles parked by the night club until they found one with a warm motor. Finding the owner's name on the steering post, the deputies notified Tipple, who was surprised to learn his car had been stolen. The deputies returned the car to him.
