THE STARS INCLINE HOROSCOPE but do not compel!

ARIES—(March 20 to April 21)—Subjects of this sign are endowed with fine intellects and forceful characters. They are strong physically and so energetic they frequently suffer from overwork.

Monday, March 23 Benefic aspects rule this day, but Saturn is adverse. The stars stimulate merchandising and manufacturing. Labor is under unfavorable planetary influences.

Heart and Home: Women are subject to fortunate aspects which seem to promise domestic happiness and prosperity.

Business Affairs: In centers of industry, production for war needs will be speeded to extraordinary volume.

National Issues: Tire limitations will continue to be more of a threatened difficulty than an actual handicap, since the trade will perform wonders in obtaining supplies and in managing the necessary quotas.

Persons whose birthdate it is have the augury of a year of good fortune, despite what hazards. Friends will tempt them to waste time and money.

Children born this day probably will be exceptional in artistic talents. They are likely to be favorites of fortune.

Uniform Illegally Used; Man Jailed

Lee S. Bullis, 24 years old, formerly employed as a junior engineer at a Seattle shipyard, was held yesterday in the county jail on charges of illegally wearing the uniform of an ensign in the United States Navy.

Bullis, whose home is in Medford, Or., was charged in a complaint filed here February 23. He was arrested March 3 in San Francisco and brought to Seattle Friday.

3,000 Nicaraguan Reservists Called

MANAGUA, Nicaragua, March 21.—President Anastasio Somoza called up 3,000 officers and men of the Army reserve today for coast-defense service.

"By calling up Nicaraguan reservists," Somoza said, "I feel that there will be no need for American troops, thus permitting them to be used elsewhere."

"However, arms and ammunition will be needed, and I hope to obtain them through a lend-lease arrangement."

The thread-finned fish, found in the Amazon River, leaps out of the water and lays its eggs on overhanging plants.

JAPANESE HERE TO TAKE OATH

Oath of allegiance to the United States—which excludes allegiance to any other nation—will be administered to members of the Japanese-American Citizens' League today, from 1 to 3 o'clock, at 519 Main St.

James M. Sakamoto, one of the founders of the league and its first president, said national membership cards will be issued to those taking the oath, fingerprints will be taken and photos made of the Japanese for identification cards.

URUGUAYAN SHIP LOSS PROTESTED

MONTEVIDEO, Uruguay, March 21.—(UP)—Alberto Guani, minister of foreign affairs, tonight sent a protest to Germany over the sinking of the steamship Montevideo 300 miles off Bermuda 11 days ago.

The protest was sent through the diplomatic channels of Switzerland. Twenty-one members of the crew are known to have been saved, but 26 others are missing.

About 100 mills in Cuba were grinding out sugar in January.

Bothell Mayor Will Renew Linhart Plea

Arthur Kimball, president of the Bothell Chamber of Commerce, said last night that Mayor Lloyd F. Gates of Bothell has renewed his efforts to obtain reinstatement of Russell Linhart, dismissed recently from the State Patrol.

Kimball said Gates has asked Gov. Arthur B. Langlie for another appointment to argue Linhart's case. Gates headed a previous Bothell delegation which conferred with the governor for the same purpose.

After Linhart was dismissed, Capt. Ernest H. Seal, in charge of the Seattle district for the State Patrol, and five other patrolmen resigned in protest. Linhart worked the Bothell "beat."

CLUB TO DISCUSS WAR PROBLEMS

Problems of the war will be discussed at the meeting of the West Seattle Commercial Club tomorrow noon at the West Seattle Christian Church, 42nd Avenue Southwest and West Genesee Street.

A representative from the Municipal Defense Council will outline plans for sugar and gasoline rationing. Open-forum discussion will follow the talk.

Nurses to Discuss Total Mobilization

WASHINGTON, March 21.—Total mobilization of the nation's nurse power will be discussed by 150 leading members of the nation's nursing profession at a two-day meeting starting in Chicago March 23.

The meeting will urge state nursing councils to establish district and nursing councils immediately for the purpose of enlisting every qualified nurse in the country to work in some phase of the war program.

Since the United States entered the war, Swiss watch factories have reduced their forces and curtailed operations.

BLIZZARDS HIT NORTH EUROPE

BERLIN, March 21.—(German broadcast recorded by the United Press in New York)—Severe blizzards swept Northern Europe during the past few days, hitting particularly hard in Southwestern Sweden, where traffic was halted and a number of towns isolated, the Transocean news agency reported today in a Stockholm dispatch.

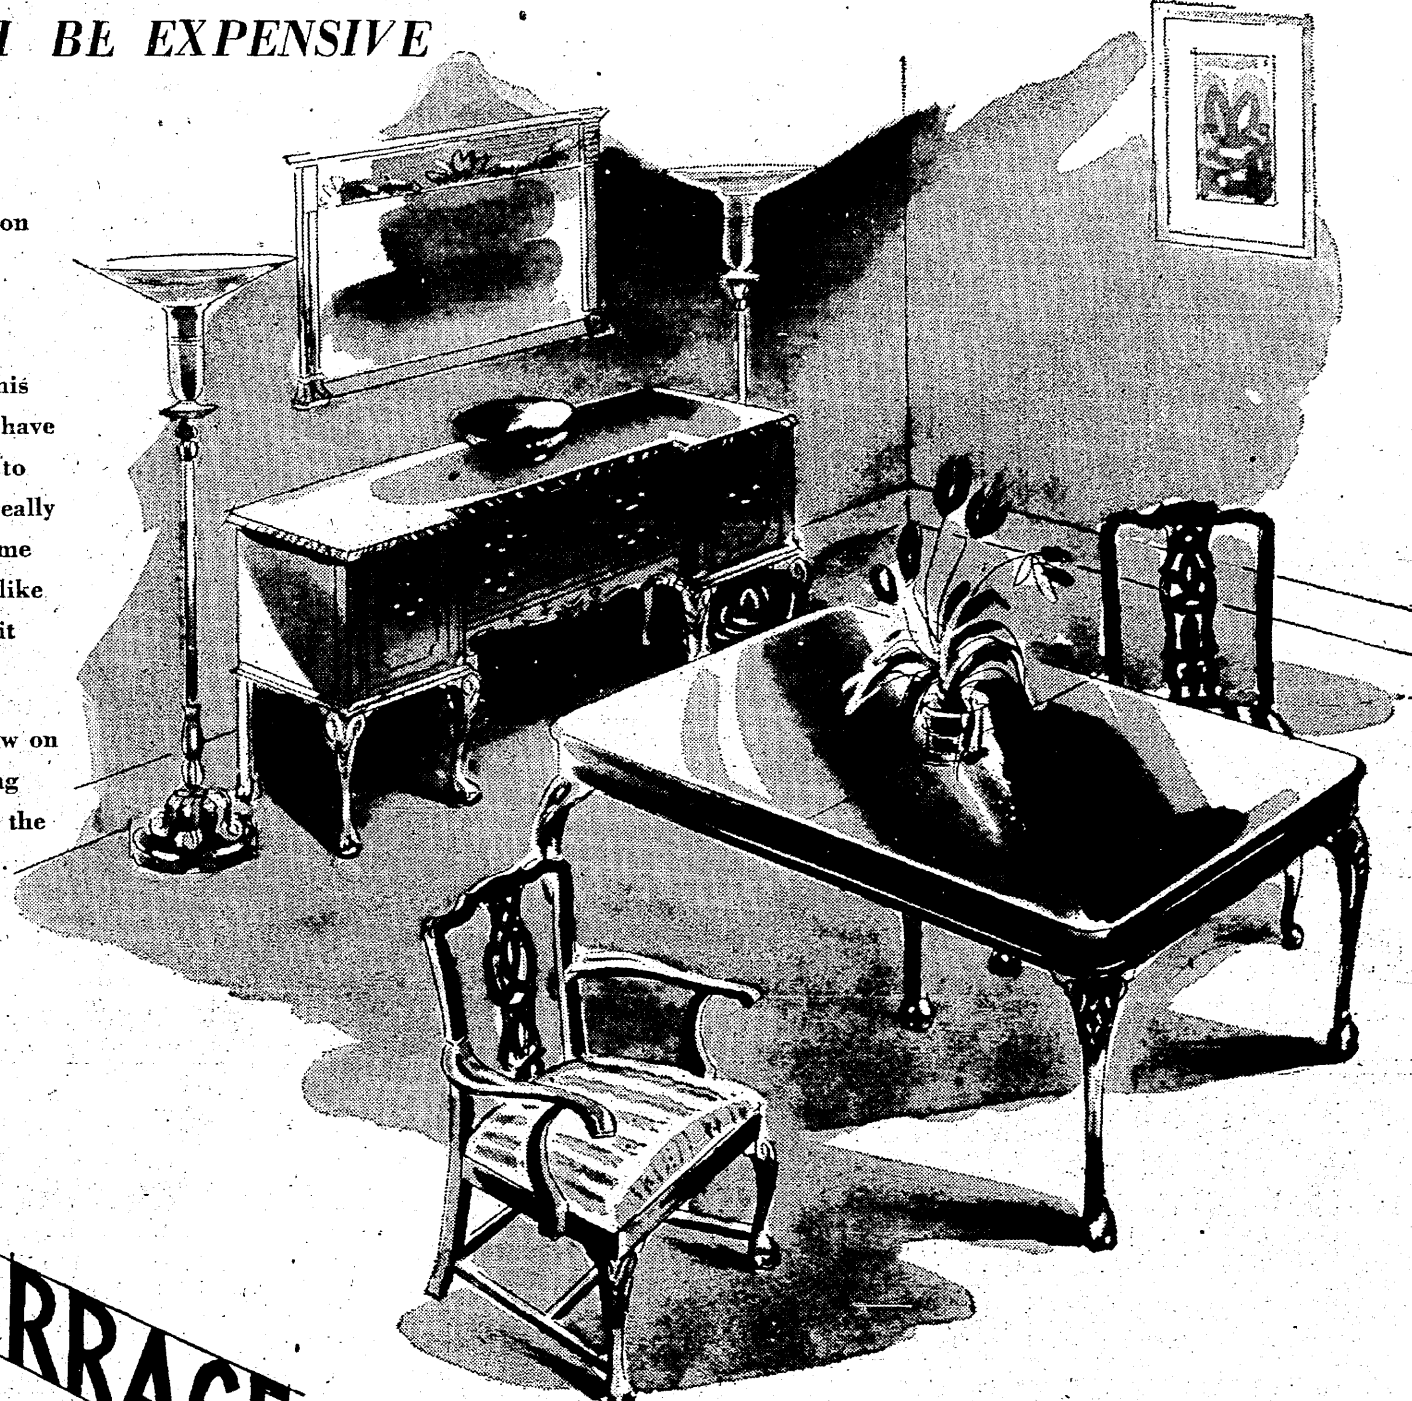

A number of towns were supplied with food dropped by airplanes of the Swedish air force.
