MRS. ROBERT WHITELEY

Mr. Robert Whiteley, of Pittsburg, Pa., writes: "My wife was subject to chronic stomach trouble and terrible nervousness; she was thin, and had a worn out look. Doctors, after great expense, all failed to help her. At last she tried Vinol, and soon the change in her condition seemed almost miraculous. She continued its use, and today she is in perfect health and gained 35 pounds—her friends hardly knew her so great the change. To Vinol I give all the praise, and everywhere I recommend Vinol, as I have great faith in it. Vinol is successful in cases like this because it contains in a concentrated form all of the curative properties contained in cod liver oil and added. Try Vinol on our guarantee. THE QUAKER DRUG CO.
