

# YOUNGEST EVACUEE

Youngest evacuee among the advance party was 3-month-old Brian Kashiwagi, shown above with his father, Mits Kashiwagi, as they arrived for registration. Kashiwagi, who lived at 3508 Genesee St., is a bookkeeper. The assembly center provides facilities so that mothers of small babies like Brian can prepare formula. The arrivals yesterday were an "advance cadre" of a larger evacuation this week.
