CITY DISPUTES

a dispute today over cost of the November 3 general election, with the city Council objecting to a \$7,665 bill tendered by the county. and a county official declaring "the city never pays its election

county election. But the city moved onto the ballot with its spe-cial election for the 3-mill civiliandefense levy, which lost.

Bill Arouses Council

The fireworks started yesterday afternoon as the city Councilinance committee got the county bill. The committee asked the judiciary committee to investigate the bill, and to get the county to

itemize it.

"How can they charge us \$7,000 for that little stuff up in the cor-ner of the ballot?" demanded Councilman David Levine. "Do they charge us so much for every lever that was pulled down?"

The city ballot title was in the The city ballot title was in the upper right corner of the ballot, far from the remainder of the issues. The measure lost not only because there were more "no's" than "ayes," but because not enough people voted on it.

Councilman James Scavotto said the county had no more cost only

the county had no more cost on account of the city election, unless it be the printing of the measure

"They would have had to set up their polling places anyhow," Sca-votto said.

Court Action Suggested

S35,000, which was the cost of the county election within the city. For several years the city hasn't paid all its election bills anyhow. It always said it didn't have the

money."

Erford said the election cost is formula we have worked out for assessing the cost."

R. C. A. F. WOMEN VISIT HERE

The trim air-force blue uniforms of these two members of the Royal Canadian Air Force turned many a head in Seattle yesterday, and Pvt. Howard Constant, military policeman stationed at the King Street Station, was no exception. He is shown here telling Airwomen 2nd Class Frances Chrysler (left) of Ottawa and Lenore Snetsinger of Toronto, what sights to be sure to see on their flying visit to Seattle. Stationed at Vancouver, B. C., the young women enlisted in the R. C. A. F. Women's Division three months ago and after two months in school were sent to Fighter Control Headquarters at Van-couver as operations-room clerks. Private Constant is from Dayton, Ohio.

doesn't have much money."

Roy Erford, election superintendent under Morris, said:

"The city is sore because its measure didn't carry. Now it doesn't want to pay the city a break in figuring and American-born Japanese now in gave the city a break in figuring its share of the cost. The city couldn't have held its election for experimental to microphones to declare the War Labor Board policy constitutes "the bug contests, "hi-jinx" revue, torrid dances from South America, comedy acrobats and other vaudevillian novelties, found themselves deep in a demonstration for wage increases responsible was showered with parts of two trucks which did. WHAT YOU CAN DO TO HELP!

WE face a real emergency. Your Seattle Transit System is doing everything possible to accommodate all who want to ride. But the sincere cooperation of EVERY PERSON is genuinely needed NOW. Seattle MUST be kept mobile. YOU CAN help.

meeting in which a strike vote very nearly was called. The big show of the union began at noon yesterday and continued until early this morning. A swingshift floor show was staged ves-terday afternoon and another last night. During the entertainment and between shows, members of the union voted on 14 candidates for business agent, 4 to be elected.

Early this year, shortly after shippard workers received wage in-

creases under a stabilization agreement reached in Chicago, the air-

eraft industry unions began asking

ference that wage increases be granted,

Boeing Proposed Increases

Boeing proposed immediate in

creases, recommending a new wage scale ranging from 95 cents-an-hour minimum to \$1.50 an hour.

The present pay at Boeing, corre-sponding to the proposed new scale, is 78 cents an hour for helpers and

\$1.23 for premium-rate mechanics.

District council members said about 40 per cent of Boeing em-

loves receive the basic minimum

of competing with other war in-dustries, where pay is higher.

On the basis of the Boeing recommendation, leaders of the union here yesterday had expected "good news" from Washington, where a

hearing had opened on the West Coast aircraft wage program. In-stead, Gibson sent his disappointing

report and last night's auditorium "hi-jinx" boiled into an indignation

pay of 621/2 cents an hour. Boeing stressed the necessity for the wage increases on the grounds

1. You don't need a car for a Del Monte holiday. Fast planes and trains bring California's best-loved resort close to the Pacific Northwest. What's more, your favorite sport—be it tennis, swimming, riding or golf—is within easy walking distance of the Hotel.

3. Only \$9 a day for one (that's just \$63 a week) includes a grand room and three delicious meals a day. Also free use of the rennis courts, putting greens and Roman Plunge, a pass for the spectacular 17-Mile Drive and reduced rates for golf.

... so we went to Del Monte for a real holiday!"

I reminded my folks: "The fact that we can't motor all over the country this year really means we can have a better holiday than ever! Remember what fun we used to have when we picked a resort all of us liked and then stayed there? Let's do that again this year. Let's leave our car at home and take the train to Del

And here's why I suggested Del Monte...

2. All the family can have fun. Dad can play golf on four superb courses (famed Pebble Beach is one). Junior can ride horseback, play tennis, swim in the Roman Plunge. Sister and Mother can do all these things too-or maybe visit Carmel Mission, historic Monterey, Bohemian Carmel.
