

this point.

I hope you
will feel well
enough to get up
here, sometime,
for a visit.

Take care
of yourself.

Love & affection

Dearest Sally,

My sincerest
sympathy—

Mrs. Fuji was a
very dear woman.

I'm so glad I
had an opportunity
to meet her, even
for just a short time.

I hope you
are feeling a
little better at

Caper

Caper

*Native to the Mediterranean region,
capers are now grown in the
Southern United States, Canada
and Great Britain.*

*The unopened flower buds of a
spiny, straggling shrub, capers
are pickled in salt and vinegar
and used in sauces for meats.*
