## NISEI SOLDIERS MAY VISIT ZONE 1 CENTERS

RIVERS, ARIZONA--Nisei soldiers may now apply for entry into War Relocation Centers or into Military Zone 1 without qualification, declared Captain Norman Thompson last night before Butte center leaders, according to the Gila News-Courier on Tuesday, Feb. 9.

It was disclosed that the WRA and Army ruling which denied nisei soldiers entry into relocation centers except in extreme emergency had been revised in December. There are "no strings attached" to furlough leaves to centers now, said Thompson.

In accordance with this action, Sergeant Max Marutani recently visited Tule Lake. Others have visited on emergency furloughs.

## REGISTRATION PENALTY

Mr. Dillon S. Myer, Director, War Relocation Authority, has instructed me to call to the attention of all residents of this Project the fact that Title 50 of the United States Code, Section 33, provides that "whoever shall willfully obstruct the recruiting or enlistment service of the United States shall be punished by a fine of not more than \$10,000 or imprisonment for not more than 20 years."

Section 34 of the same Title, provides the same punishment for a conspiracy to violate Section 33.

If any person in this Center shall in any way so interfere with the progress of the Registration now going on, by threats, intimidation, spreading of false rumors, exhortation, or otherwise, such acts may be considered a violation of the laws above mentioned. Under such circumstances, we have no alternative but to see that the law is enforced.

Mr. Myer has called this matter to my attention because he has reason to believe that in this Relocation Center, there have been infringements of these laws.

G. R. GREENWOOD.....

## REGISTRATION CLERK FINDS ISSEI FORGET THEIR AGE

G. R. Greenwood is ordinarily supervisor of the Agricultural Education at the local high school, but due to the registration emergency, he is doing plenty of asking and writing of the people in Block 70.

Greenwood had just finished filling the reporter's blank and was trying to control a bad case of writer's cramp. The reporter saw his opportunity and the pleasant Mr. Greenwood was on the receiving end.

Reporter: Are you finding any difficulty with Japanese names?

Mr. Greenwood: Not at all. I lived in Hawaii for a number of years and I'm used to Japanese names.

Reporter: What questions do people get most mixed up on?

Mr. Greenwood: Well, the issei don't remember their ages so well. The nisei are not so familiar with their mother's maiden name.

Reporter: How long does it take to fill the blanks?

Mr. Greenwood: About an hour on the average.

Reporter: From the looks of it this block response is pretty good, isn't it?

Mr. Greenwood: Yes, it keeps me plenty busy. Say, by the way, have you seen this article?

On his desk was an article from the Honolulu Star Bulletin. It praised the famed 100th Infantry.....a Hawaiian Nisei Division, training for combat duty, at Camp McCoy, Wisconsin.

## BERLIN RADIO PROPAGANDA

WASHINGTON (Office of War Information release)—Nazi propagandists, who are slowly letting their people at home know that all is not rosy on the Russian front, are apparently unwilling to let their Japanese Allies in on the secret, the Office of War Information reported recently.

In a Japanese-language broadcast to Japan on Jan. 28—a day after Lieut. Gen. Kurt Dietmar, a Nazi commentator, had told the German people that "the fight against the Soviets is a fight

## SATOW SPEAKS TO 5 CHICAGO GROUPS

"The thrill of leaving camp has not worn out though I've been here for almost a month," writes Eureka Satow from Chicago, in a letter to Clara Bogorad, assistant leave officer.

Miss Satow adds "All the girls here from camp are doing all right. As for me, I'm so busy with work and socials, this note will have to do. I have made five talks to different groups and the next one will be a week from tomorrow at the Evanston's college age Church group again. We are being well treated so far and the people are very nice. Thanks again."

## BACHELORS CLUB IS ORGANIZED TO CONDUCT SERVICE FOR WOMEN

To conduct a service club for women of the Project, "The Baccalaureus Club" has been organized with headquarters at 3207-D.

Any bachelor between 20 to 60 is eligible. He must be of unimpeachable reputation and his conduct with members of the opposite sex unquestionable in the eyes of the public.

Initiation into membership is tough. A neophyte must escort to a dance, a partner designated for him by the selection committee. Exchange-

ing or sitting out dances are strictly forbidden.

Assistance on individual emergency cases involving women is one of the privileges of being a club member, asserts the by-law. A member may ask club members to "obtain a partner for him to a dance or a party or intercede in his behalf when he is having difficulties with a woman or women."

A fine of \$10 is levied against a member, who renounces bachelordom, the day he announces his engagement to a woman.

"How's About A  
Date, Huh?"

"How's About A  
Date, Huh?"

"This Is A Hell Of A  
Predicament!!"

## OUTSIDE DOMESTIC JOBS FOR COUPLES

Released from the Placement office today were two offers for outside domestic employment for couples.

In Glen Ellyn, Ill. a gardener and houseworker are needed. The pay is \$125 per month with room, board, bath, uniforms and medical attention.

From Chicago, comes an offer for either an evacuee couple or two evacuees for domestic work. If couple, husband to cook and wife to be a practical nurse. The pay is \$125 per month plus room and board.

## ENTERTAINMENT TALENT SIGN-UP DEADLINE IS FEB. 28

With the deadline for applications only a week and a half away, Talent Show committee urges all those interested to enter before Saturday noon, Feb. 27.

The Talent Show is being sponsored by the Dance and Music divisions of the Recreation department to discover "hidden talents" among the colonists, as well as provide entertainment through the ward shows.

There are two divisions—the trained and the untrained, with the

latter subdivided into juniors and seniors. The juniors will include those 14 years and under, and seniors above 15 years. There will be no age limit in the trained division.

According to the plan, each ward will hold its own show and the winners and runners-up of each division will be eligible to compete for valuable prizes in the finals. The finals will be held after the ward selections have been made.

Auditions will be given by the various members of the Talent Show committee before an applicant can appear on the ward show. Piano accompanist will be provided if the contestant wishes one.

In conjunction with the talent show, a Master of Ceremonies contest will be held by wards and the winner will emcee at the finals.

Application blanks are now at the block managers' offices. Further details may be obtained at the Rec Center #1808, Music Dept. #2508, or Dance Dept. #1908.

...with a beautiful valentine setting, John Ito, prominent in business circles from Portland, Ore. prior to evacuation took Alice Tamura, formerly of Hood River, Ore. as his bride at an impressive Christian ceremony. Rev. J. Inouye officiated.

The bride was given in marriage by her father Mr. K. Tamura. She was attended by Margaret Ito, maid of honor and Marjorie Ito as bridesmaid. The bride wore a beautiful white brocaded taffeta gown with a finger tip veil. She carried a bouquet of American Beauty roses and orchids. The bridesmaid wore chenille print taffeta and had bouquets of red roses.

Hiro Takeuchi acted as best man while George Tamura was usher.

An elaborate reception followed the ceremony with over 450 guests present.

To climax the happy occasion, a semi-formal dance was held in honor of the newlyweds. Jimmy Hashimoto was chairman of the affair.

## Standing by JOBO

They sat among the elites awed and enchanted by the fabulous atmosphere ingeniously created at Hall 3220. They watched the subdued blue lights flicker on and off casting intriguing shadows among the multicolored balloons and crepe decorations. Huge fantastic lanterns swung gaily from the rafter. They glided with their living dreams to the sentimental strains of Mickey Tanaka's orchestra. They sighed as Mickey poured his heart out on his sax. They laughed and cheered and yelled for more when Shig Okada and his Shower-room serenaders stepped up to the mike. They howled when Ziggy Akahoshi and George Miyake were each asked to offer a vocal rendition. They were extremely reluctant to leave even after the orchestra had bowed out with "Star Dust". They lingered awhile to listen to some "hot stuff" on the ivory keys.

It was Pension-Miks' second annual dine and dance party and to the score of delighted guests, invited without charge, a memorable evening.

Banquet tables complete with white linen and vased flowers were tended by slick pomade-haired garçons in immaculate white jackets and black bow ties. Head waiter Roy Machida and his waiters quietly served a two-course dinner of generous quantity.

Many drifted to the "bar" where they refreshed themselves with a swig of coke after a frantic jive to a hot lick.

A solemn retrospect of the Miks' ten years since its organization was reviewed by toastmaster Paul Takahashi.

Miks and Pensioners got together and poured it all on one gala evening. Men-behind-the-scene were undoubtedly Don Yabe, Jimmie Kubo and Frank Hiyama. To Yoshio Nishihara goes the credit for the superb decoration job.

## BEARS REWARDED AS THEY WIN A GAME

In the battle of the cellar teams, the Golden Bears were rewarded for going out to take seven straight Class A beatings when they dumped the Tacoma Bussei 43-31 in the last game of the season, Saturday.

Although hopelessly outclassed, the Bears always had a team out and it looked as if they'd never win a game, but they did.

The loss left the Bussei at the bottom of the standings, and the Bears finished in eighth place. BEARS (43) (31) TACOMA Ogawa 14....F.....8 Osada Fukuhara 9..F.....8 Nakao Koshiba.....C...3 Kikuchi Sasaki 8....G...7 Kimura Mashihara 2.G...Kinoshita

In the six games which were played, the Poster team scored 353 points while holding the opposition to 115.

All in all the Artistes were in the wrong league, but hail to the champs anyway.

## TEN BELOW BEATS CASTLEMONT 18-13

Winners held a 9-4 edge at halftime with Iwasaki accounting for 7 out of the 9.

Scoring was even with 9 points apiece in the final half and the margin of victory proved to be the first half lead.

Ten Below's forward Iwasaki took high point honors with 10 markers.
