SHAKE-UP MADE AT SCHOOLS

WALKER, WILDER RESIGN

With the resignations of Floyd E. Wilder, principal at the Tri-State High School, and A. Glenwood Walker, assistant high school principal, a shake-up loomed in the local school set-up.

Replacing Mr. Wilder in the local school will be Mr. Gunderson former elementary school supervisor. Guy Cook will be the new vice-principal, while Mary Durkin will fill Mr. Gunderson's former job. The new teaching principal at Lincoln Grade School will be Mae Hert.

Both terminated their positions here in favor of jobs in other school systems. Mr. Wilder is accepting a principal's job in the Montebello school system with the Laguna Elementary School. Mr.

1120 ACRES TO BE PLANTED ON FARM DURING '43 SEASON

15 MILLION POUNDS IS ESTIMATED YIELD

The proposed 1943 seasonal truck crop production program, released by C.E. Zimmer, chief of the Agricultural department, reveals a total of 1110 acres to be planted in 22 varieties.

Potatoes lead all crops with 550 acres, including 200 acres in seed potatoes. The next three largest acreage crops are: cabbages and carrots, with 66 acres each, and green peas with 65 acres.

Contracts For Work

Contracts for seasonal group, all year round farm and work for the Great Northern Railway are being offered by Mr. Ball and Tom Matsuoka at Warehouse 316.

The two are representing the Utah-Idaho Sugar Co.

Walker will transfer to the Los Angeles City Schools, as he has been qualified for a position there upon passing a competitive Civil Service test.

The following crops are to be planted in lots of

AN EDITORIAL

ARE YOU GOING TO ROT?

"Are you going to sit here and rot?" A friend of mine left this Project recently with this question deeply imprinted on my mind. At no time have these words been more significant than they are today to those of us who hate a stagnant and purposeless life.

This very same question was asked in the year 1907 by a man named Tompkins of some four hundred poverty stricken inhabitants of Little Dover, a small village perched on a barren rocky shore. For these inhabitants the only source of income was from fishing. Their toils were hard; their rewards small. Their struggle for existence seemed hopeless.

Through the effort of Father Tompkins the inhabitants regained self-confidence and through co-operative self-help they reorganized their economy on a co-operative basis and saved themselves from poverty and stagnation.

What Dr. Tompkins dreamed of and realized through his painstaking efforts in Little Dover was also realized in Tule Lake and none can guess where the co-operative spirit will be crystallized next.

We do know, however, that wherever and however the disastrous waves of the post-war depression may attack us with their devastating and far reaching evil consequences, we shall be equipped with knowledge that is practical and experience that is invaluable to enable our helping ourselves.

MINIDOKA IRRIGATOR CONTESTS SENATOR'S 60% DISLOYAL REMARK

Replying to the accusation by Senator Chandler, who conducted a hearing in Arizona about relocation centers, that 60% of the Japanese in certain centers were disloyal and have given their allegiance to the Emperor of Japan, the Minidoka Irrigator in an editorial pointed out the record of the Idaho center.

"While the record of Minidoka," the editorial stated, "may be exceptional there is no sufficient evidence to disprove the belief that Japanese in other WRA center do not differ radi-

cally in temper or loyalty from those residing here. To be sure, there have been riots and difficulties in some centers, but responsibility for the disturbances have been fixed upon a minority which does not even begin to approach the senator's 60% figure.

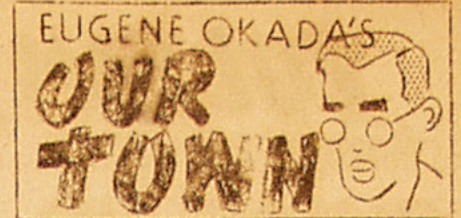

OGURA ADVISES TULEANS TO RELOCATE THEMSELVES

Urging people to go outside for a true understanding of American Democracy, Tom Ogura, former resident here, wrote to the Administration here from Eastern Oregon where he and members of his family are working.

"People were friendly all the way," Ogura wrote.

Ogura stated that a sailor who just returned from the hell and horror of the Solomons was their traveling companion.

The former Tulean concluded his letter by stat-

Recently many young residents were notified to be prepared to leave the Project within four or five days. Parties were given in their honor, packing done excitedly and hurriedly, hasty good-byes said. It did us good to see their happy faces as they bid all their friends goodbye. But then as the day of departure arrived and they appeared at the bus station all ready to leave, they were notified that their travel permits had not arrived and thus they cannot leave. After receiving gifts and having a big crowd of friends at the scene of departure it is tough, especially for girls, to take such news on the chin. We have witnessed such pathetic scene and as we saw tears trickling down their cheeks we just couldn't face them any longer.

We implore the leaves section not to notify anyone of his impending departure until everything has been definitely cleared. Also we'd like to see the evacuees be given more time to prepare for their departure. People like to be notified and have things clearly explained before they venture forth into anything.

ing that "their whole family would earnestly get behind the war effort and help bring about an early conclusion to the war.

Other members of the family are Mrs. Tom Ogura and daughter, Patsy, Mrs. Chiyo Ogura, Minnie, Sumi and Esther Ogura.

YOSHIHARA LEAVES

Mr. Takeo Yoshihara who left for Idaho Monday wishes to thank all his friends for their many kindness during his stay here.

FARM PLANTING IS 1120 ACRES IN '43

(Continued from Page 1) and cabbages are the largest export crops to these centers.

The harvest period will commence early in June, with green onions listed first; and will be concluded along the first of December, with the last of the celery crop slated to be taken in.

The pickling plant, under Marketing Head, George Hudson, will handle 80,000 pounds of nappa and 900,000 pounds of radish (Daikon) for colony consumption, under this program.

Contrary to last year's crop program, this year's program will be sufficiently planned to cover proper planting schedules, farm officials indicated.

Floyd Wilder
I have enjoyed my work with students, teachers and fellow administrators and wish all Tri-Staters continued success in making our high school one of the best in this state or in the nation.

WARD 7 TOURNEY ENDS THIS WEEK; DAMEDAS IN FINALS

WINNER OF BLOCK 73-BRUIN GAME WILL MEET DARK-HORSE DAMEDAS FOR TITLE

After the smoke of the battles had cleared away in Ward 7 last Saturday and Sunday in the Basketball Tournaments, the Damedas found themselves in the finals of the boys division while Block 68 and Block 67 Hi-Liners entered the finals of the girls division.

Concluding games of the tourney will be played this coming week-end with some rip-roaring action scheduled.

In opening round games of the boys division, the dark-horse Damedas polished off Block 74, 35-13; Block 73'ers, led by J. Iatsumoto with 19 counters, drubbed Oldtimers to the tune of 65 to 36; the Hopeless Crusaders were not so hopeless as they smeared the 73 Oldtimers by a 40-16 count; and the Bruins pushed by Block 69 37-23.

SEMI-FINAL GAME

Only one game was played in the semi-finals of the championship bracket, that being the contest in which the Damedas entered the finals with a 18-17 win over the Crusaders. The contest was the best thus far with the score dead-locked at the half at 12-11.

Proving again that making foul shots can keep a team in the game, the Crusaders made good 5 out of 8 tries, while the winners only made 2 out of 9.

Point Honors went to Damedas' National league first string Class B center Tsugo Sumada with 6 points.

CONSOLATION ROUND

Consolation semi-final round also had only one game played and the Block 74 five won easily from the 73 Oldtimers, 26-13.

F. Nakagawa, Block 74 center, was high with 7.

FINAL CONTESTS SET

Games this week-end will find in the championship bracket, the Blk. 73'ers pitted against the Bruins with the winner to meet the Damedas for the Ward 7 title. The loser of the Block 73-Bruin fracas will clash with the Crusaders and the winning team will cop third

TOURNEY DETAILS PUBLISHED FRIDAY

Complete details of the boxing tournament to be started this week-end will be published in tomorrow's DISPATCH.

Included will be the time and place of the event, weight-divisions, and the pairing of the competitors for the first round. Weigh-ins were held yesterday.

Block 68 And Hi-Liners In Test For Ward 7 Girls' Pennant

The honor of being the champion girls team in Ward 7 will go to either the Block 68 team or the Block 67 Hi-Liners this week-end when they meet in the finals of the tournament.

Seven teams started out with championship aspiration last week but only the above two remained undefeated.

Block 74 drew a bye into the semi-finals but

WARD IV TEAMS KEEP CLEAN SLATE

Three teams managed to stay unbeaten in the free scoring Ward 4 League last week.

Block 8 topped the standings by one-half game having won three. In their two games last week-end they pasted Block 7, 54-31, and swamped Block 19, 42-24.

Block 12 defeated Block 19, 54-22, and then slaughtered Block 7, 80-40 for a clean slate.

Powerful Block 9 likewise kept unscathed by dropping Block 11, 37-28, and Block 21, 33-15.

In other contests, Block 11 breezed by Block 10, 50-28, and Block 10 won a 32-18 decision over Block 21.

Doing the heavy scoring in this league are ex-Mik and Wak stars.

place while the losers will come in fifth.

Oldtimers is slated to tangle with Block 69 in the consolation semi-finals and the winner will meet Block 74 for either fourth or sixth place in the tournament.

Block 68, featuring a scoring flash in a lass named Nora Hoshi, had to sweep through Block 67, 20-6; Block 70 downed Block 69, 21-16; and Hi-Liners nosed out the Matrons 12-9.

SECOND ROUND

Block 74 met Block 68 in the semi-finals of the championship round with the 68 entry coming out on the long end of a 32-25 count after the score was tied 10-10 at the half.

In the other semi-final contest, the Hi-Liners led all the way to down Block 70 by a 18-7 margin.

LOSERS TO PLAY

Consolation bracket found the Matrons out-scoring Block 69, 27-8, and they will meet Block 67 to see who will take fourth or sixth place.

Besides the championship contest, third and fifth place will be fought out between Block 74 and Block 70 this week-end.

HOSHI HIGH SCORER

Block 68's Nora Hoshi has the best point record in the tourney so far, canning 12 against Block 67 and 24 against Block
