RED CROSS MASS MEETING TONITE

A mass meeting of the Tule Lake Project unit of the American Red Cross will be held tonight (Monday, May 31) at 1720 from 7:30 p.m.

Election of officers for the coming year will feature the mass meeting.

SCHOOL TO USE SIREN FOR PERIOD CHANGES

Beginning Monday, May 31, the use of a siren at the high school for the passing of classes will be started, it was disclosed.

Considerable difficulty has been encountered at the school in making the students in the classrooms hear either a bugle or the small electric buzzers which had been obtained for a signal system.

Through the cooperation of the State Fish and Game Department, the Tri-State High School has secured the use of a hand-operated fire siren which has been installed

Centers To Be Investigated

The Dies committee will start a hearing on June 7 on reports of its field investigators that Japanese in relocation centers are being pampered and thousands are being released without proper surveillance, reports from Washington disclosed.

Officials of the WRA will be asked to testify, Robert E. Stripling, committee secretary said.

REJECTED VOLUNTEERS GET SPECIAL JOB AID RECEIVE FIRST PRIORITY

Special efforts are being made to secure outside employment opportunities for combat team volunteers who were not accepted because of physical deficiencies or age,

at the high school office.

This notice is being put in the paper so that the residents near the high school will not be unduly alarmed at the repeated warnings of the fire siren.

NEA WRITER VISITS GILA

The Gila Center can expect more publicity soon as the result of a visit by feature writer Harlow Church of NEA and the Acme News-Pictures, according to the May 20 issue of the Gila News-Courier.

Church had previously visited Poston and is scheduled to go to Manzanar to write special news articles.

When questioned about whether he thought evacuees were being pampered, he said, "Why hell no, I don't think anyone can be pampered on 41 cents a day food allowance."

ALL-STARS WIN

Before a record-breaking crowd yesterday afternoon, the Tule Lake All-Stars started the 1943 campaign by white-washing the Klamath Falls Pel-

icans by a big 16-0 score.

Pitchers George Goto and John Nakao limited the Pelicans to 4 scattered hits in 7 innings.

Men on this list will be given first priority both in clearance through the War Department Joint Board (which establishes eligibility for war plant work) and in connection with ordinary employment opportunities which are received at the center.

NEW GROUP SET UP TO FIGHT DISCRIMINATION

A new anti-discrimination committee in place of the old Committee on Fair Employment Practice which will enable all groups regardless of race, creed or color to participate fully in the war effort without discrimination was set up by President Roosevelt, a story in the Chronicle revealed.

The President declared there was evidence that available and needed workers have been barred from employment in industries engaged in war production to the detriment of the prosecution of the war, the workers' morale

and national unity, solely by reason of their race, creed, color or origin.

The Chief Executive decreed that hereafter all contracting agencies of the government shall include in all contracts a provision obligating the contractor not to discriminate against any employee or job applicant because of race, creed, color or national origin and requiring him to include a similar provision in all subcontracts.

NO HOME NURSE SERVICE NOW

Home nurse service in the colony has been discontinued, according to a notice from the Base Hospital. It was requested that persons do not call for them.

2 Volunteers On Furlough

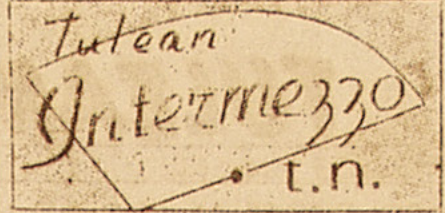

Taking advantage of the seven-day furlough granted them before their induction to Camp Shelby, two of the six volunteers for the combat unit who left for Salt Lake City a week ago, James Okubo and Mitsuru Hayashi, came back to the center for a brief visit Friday and Saturday.

One volunteer, it was reported, went back to Sacramento. Some went east for their furlough.

THERE'S ONE IN EVERY BLOCK.

"NOW THE GOOD GUY IS...."

The coming of summer has driven the "latrine prophets" out of their nightly meeting place into a more wholesome atmosphere.

This strange group came into existence when with the coming of cold weather stoves were installed in the shower rooms. Old men and even the young men stood around the stove and just "chewed the rag" for hours. Here they discussed the topic of the day, aired their views and made predictions of things to come. Hence, the term "latrine prophets." They were the hub from which all rumors and gossips radiated throughout the colony. "Yes, we're going to be moved to Minidoka. This news came straight from shower room in the next block," This is just a sample of the kind of talk which went on at the gathering of this group. Opinions expressed here were interpreted as the gospel truth.

Fathers and mothers-- yes, they had their group too--went to take their shower and did not come home for two three hours. Just like the play "Drunkard", the children often had to go and bring them home with "father, mother, please come home, the baby is hungry, the house is a mess. You've been out every night this month."

Now that summer is here this group has dispersed. People have met in sorts of peculiar places either to discuss affairs of the state or just gossip, but the "Order of the Bath of the Relocation Centers" is quite unique.

In all the annals of history it is doubtful if one can find anything comparable to it.

Y.P.C.C. PICTURES ON SALE AT 1808

Y.P.C.C. pictures are now on sale at the Recreation Dept. 1808. Two cents tax will be charged.

OGI DESCRIBES LIVING CONDITIONS IN WISCONSIN

Chester Ogi, who was on the Research Staff of the Tule Lake Planning Board, in his recent letter to Don Elberson, advisor to the Tule Lake Cooperative Enterprises, says, "the trip here was another pleasant episode of meeting the various people that came in and out of our car. Soldiers, civilians and drunkards paid no attention to my nationality. We just had a merry old bull-session way into the night."

Mr. Ogi is now employed by the Central Cooperative Wholesale of Superior, Wisconsin. Due to its sound and conservative management it has steadily grown to be one of the largest cooperative organizations of its kind in the country.

With regards to living conditions, Chester Ogi says, "the rent ranges from \$25 to \$40 for a

house. Went into a Co-op grocery store and things aren't too cheap, but they are far lower than I have seen anywhere on the outside at the present time."

"None," he concludes, "will get anywhere by sitting back hoping that a position is going to be thrown on even a dirty platter."

Y.B.A. RALLY FOR WARDS 3,4,7 SET

The Y.B.A. pre-conference Bussei rally for Wards 3, 4, and 7 will be held on June 4, it was announced by Tak Hitomi, general chairman for the affair.

Bids for the rally are now on sale for 15¢, and may be obtained from the block representatives of the above mentioned wards. After June 1, bids will be on sale at 7307 and at the Tulean Dispatch office.

Chaperones for the evening will be Messrs. and Mesdames John Fukuyama and Chic Teramoto, Reverends K. Iwao and G. Hirabayashi.

WASHINGTON P.T.A. HONORS TEACHERS

Washington School District P.T.A. sponsored a program honoring the school teachers at 7018 on May 27.

The students and Mr. Cheek's junior orchestra presented a delightful program. Mrs. Chikuda earned many complimentary remarks for this successful affair.

Gardenia corsages and carnation boutonnières were presented to the honored guests. Refreshments were also served.

Five Men Sentenced At Trials Held Last Week

One traffic trial and an out-of-bounds trial were held early last week, it was revealed by Internal Security.

Four men were charged and pleaded guilty to being out-of-bounds. Three were sentenced to be deprived of work and pay privileges, including clothing allowance and unemployment compensation for a period of 10 days, and placed on probation for 30 days, with instructions to report weekly to Internal Security.

A driver was convicted of driving between apartments and disorderly conduct. He was sentenced to be deprived of work and pay privileges, including clothing allowance and unemployment compensation for a period of five days on each count.

Co-op Loses 2 More Workers

The Tule Lake Co-op, which has been feeling the effects of the WRA relocation program, will soon be dealt another heavy blow when Miss Ariye Oda and Mr. Yoshimi Shibata depart from the Project on June 1, reports Masao Kawada, educational director.

Miss Oda, until her resignation, was office supervisor and chief accountant at the business office of the Co-op. She had been with the Co-op since its inception and prior to its organization had been connected with the temporary enterprises. She is leaving the Project to accept a position with the Eastern Co-op Wholesale in Brooklyn, New York.

VITAL STATISTICS

BIRTH: To Sally and Tatsuni Kawamoto, 6815-A, a baby boy on May 29, 1943 at 7:35 a.m.

BIRTH: To Tamajiro and Tomoko Kitejo, 4916-F, a baby boy on May 28, 1943 at 12:50 a.m.

DEATH: Carolyn Sue Matsuoaka, 21 days, 6815-C, on May 25, at 6:15 p.m. Survived by: Guy Matsuoaka, father; and Takako Matsuoaka, mother.

DEATH: Masaji Ogawa, age 46, 4001-C, formerly of Loomis, California, on May 27, 1943 at 1:35 p.m.

AT PLACEMENT

The following jobs are open at Placement office:

Stenographer to assist with the OSYA program. Must have fair command of English.

Two stenographers for the Cooperative Education program, and commercial and home economics training courses to be set up.

Cartoonist or poster-artist, male or female.

Two ass't nursery teachers in Ward V, as soon as possible.

HOT PLATE WANTED

WANTED: A hot plate. Contact Mrs. Miyamoto, 3516-A.

RESIDENTS MUST OBSERVE HOSPITAL VISITING HOURS

Strict observance of visiting hours at the Base Hospital was urgently requested in a memorandum from Wilson W. Suggett, acting head of the hospital yesterday.

Mr. Yoshimi Shibata, whose services the Co-op was able to enlist in November 1942, was assistant general manager until his resignation.

"To him as coordinator, can be attributed the amicable relationship between the management and the employees," according to Kawada.

Mr. Shibata has accepted a position with the Premier Rose Garden in Des Plaines, near Chicago, Illinois, and will leave the Project in June.

WAR VETS AID PROGRAM

A very impressive program enacting the first discovery of America was put on by Mrs. Adams' third graders of the Rimrock School at 5002-A in honor of their friends and relatives in the armed services of the United States.

Five World War I veterans: H. H. Ogle, Mr. Soriki, E. Kodami, Y. Yamahara, and T. Nomura assisted with the flag service.

Many guests were present from Klamath Falls and Tule Lake vicinities.

BOOK ORDER TAKEN

Orders for the anniversary book are being taken at John D. Cook's office at the Ad. bldg.

Since copies are very limited, those who wish to get a copy should place their orders immediately.

Violation of this schedule is causing an unnecessary hardship on the limited staff of nurses and doctors and disrupting the patients' regular routine of sleep and rest.

"The visiting hours are plainly posted and henceforth will be strictly observed. Whether it be a family gathering, church group, or any other reason, any interruption of routine of the hospital will not be tolerated," it was stated.

Colonists were also asked to discontinue the practice of calling on the doctors at their homes for professional advice. These doctors have long and tiresome hours while on duty and deserve their rest while at home.

Hospital Visiting Hours

A and B-----Thurs. and Sun. from 2-4 p.m.
 C, E, F, G-----Tues., Thurs., Sat., Sun. from 2:30-3:30 p.m. and 7-8 p.m.
 D-----Thurs. and Sun. from 2:30-3:30 p.m.
 H-----Tues., Thurs., Sun. from 2:30-3:30 p.m.

No children under 16 yrs. permitted in obstetrics, tuberculosis, and isolation wards.
 No visiting in the morning.

Batting Averages Reveal Many Heavy Hitters

After much waiting for delayed score sheets, the following batting averages are computed for the first three games played in the Men's Softball League.

Up to date averages cannot be released until all score sheets are turned in early.
