# NISEI NEWSPAPERMAN HAS DEEP FAITH IN AMERICA

*Jobs*

(The following column was written by Robert Hosokawa when he joined the staff of the Inter-City News in Kansas City Mo. Hosokawa is an American-born Japanese and formerly lived in Seattle, Wash.)

We like this community in the heart of America. Its people are earnest and generous. We have walked along the quiet streets where huge poplars and locusts stand. And we have seen blue stars in the windows. Each time, like all Americans, we are filled with pride and appreciation.

Not many springs ago I was in college. There was no war, only peace and a few clouds in the sky. In the coolness of twilight my friends and I sat to talk of many things ...life, love, picnics, baseball, ideals, the future...

But one day the tide of fascism, too evil to remain where it was born, surged across to sear the heart of America.

Somewhere in a distant tropical scene my best friend pilots a U. S. Navy bomber. He had no hate in his heart, only love for humanity. But love dies when treachery comes.

Pete Mills, another college friend, went down in battle in the sky above Dutch Harbor. He was given a Distinguished Flying Cross posthumously. Among many others, a campus roommate of mine is missing off Bataan.

Yesterday a letter came from my cousin, another American with a

Japanese face. He is a sergeant in the U.S. Army, stationed somewhere in New Guinea fighting the common enemy.

"How did you like the way our boys smeared the Japs in the Bismarck Sea," he said.

When my wife and I were evacuated from the Pacific Coast with 110,000 others, two-thirds of whom are American citizens; we lived in government relocation centers. It was not easy but we were willing if it helped our Uncle Sam. Our faith in him never wavered.

As rapidly as possible, after thorough investigation, the government is releasing us to normal living in some useful phase of the war effort. We know through experience that freedom is worth fighting for.

That is why my wife and I are here. We have come as good citizens, with faith in America and our sleeves rolled up to work for victory over tyranny.

## WEDNESDAY MARKS CLOSE OF WARD MEN'S LEAGUES

Regular league play in the men's softball league comes to a close Wednesday, June 9, with the final games in Wards 2, 3, and 4 to be played.

Although most of the titles are decided, some postponed contests may still change the outcome. Therefore, all make-up games should be played as soon as possible, and all score sheets should be turned into the Recreation Dept. immediately.

As soon as the Ward titles are straightened out, a play-off series for the city championship will begin. Games for this Wednesday evening are as follows:

### Block 47 Rally Beats 40; Wins Ward V Championship

Block 47 won the Ward V Softball League Championship last week-end when they went on a rampage in the sixth inning of their play-off encounter with Block 40 to chalk up a 10 to 6 victory.

Until the fatal sixth, the boys from 40 held a 6 to 3 margin as they scored 3 runs in the second, 2 in the fourth, and one in the fifth while the best that 47 could do as to get 3 runs in the third.

George Nakao started the big 47 rally with a triple and by the time the Block 40 team had retired the side, 7 runs had been made.

Leading the sluggers was Art Tanabe of the winners with 3 hits in 4 trips to the plate.

### BL. 39 UPSET; TIE FOR FIRST

Here-to-fore undefeated Block 39 was rudely upset by a fifth place Block 38 ball club, 11-4, last week to throw the Ward 2 League leadership into a tie between 39 and Block 29.

After sailing smoothly through their other opponents, the 39'ers ran into plenty of trouble against 38 as they could not stop the winners hitting attack and the final innings turned into a rout.

39 meets 29 in the crucial contest this Wednesday.

### Block 13 Annex Ward One Pennant With Win Over 14

The Ward 1 softball pennant is flying over Block 13 this week as they pounded out a 8-6 decision over Block 14 Sunday in the play-off meeting.

Each team ended the season with five wins and

one loss, Block 14 being upset by Block 16 in the closing stretch when it appeared that 14 was the cinch champion.

In the first half of the first frame, Block 14 jumped to a big 4 run advantage by combining 3 hits with 2 walks off pitcher Yamada, but Block 13 was far from being down as they picked up one run in the first and three in the second to tie the ball game up. 14 went ahead again in the third inning, crossing the plate twice while holding thirteen to a lone tally for a 6-5 lead.

The pay-off came in the final half of the fifth as Sakai, Oki, Saito, and Yasutake each touched 14's pitcher Jiro Shimoda for hits and marked up 3 big runs to give Block 13 the winning margin. Yasui, 13 centerfielder, paced the stickers with 3 bingles in 4 times at bat.
