

CO-OP MAIL ORDER DEPT. MOVES TO CANTEEN 4 NEW RULES ANNOUNCED

The Co-op Management announced that the entire Mail Order Service Department has been moved to Canteen #4, near the Administration Building. Because of this move, the following changes have taken place:

1. All mail order packages, both Montgomery Ward and Sears Roebuck & Company, are to be claimed at Canteen #4, instead of at Canteen #1.
2. All inquiries and requests are being accepted at Canteen #4 and no longer at Warehouse Office #5.
3. All orders are being accepted at the canteens as in the past.

This change has been made due to the fact that there is more room at Canteen #4, and consequently, this

QUOTA REACHED ON BOOK ORDERS

Orders for the anniversary book will no longer be taken, since the quota was filled early Tuesday morning.

If, after complete distribution, there are books remaining, they will go on sale for 15¢.

It is expected that the books will be ready in about one week.

Mr. Myer said that the change in compensation policy was decided upon at a recent meeting of WRA project directors in Washington. He explained, . . .

"With the increasing outside employment opportunities becoming available for evacuees and the mounting need for full labor utilization in our national war economy, it was felt that there is no longer any justification for paying unemployment benefits on any large scale. BLOCK 44 MESS HALL CLOSED

Due to the inability of the people of Block 44 to live together in harmony, the 44 mess hall has been closed, it was announced.

Ralph E. Peck, project steward, disclosed that "This action was taken as a result of several months of discontent existing in the block."

The Block 44 residents have divided themselves among the neighboring mess halls.

In The Next

...room, Harry and Mas are grinding out tomorrow's edition. From somewhere across the way, waft by the friendly evening breeze, I could hear a sweet rendition of "A Starry Night." I thought of the Oak Grove in Walerga, the first month in Tule Lake when things were so novel and exciting. It's funny how one can associate a particular song with an event of days gone by. A year from today, if I should hear "As Time Goes By", there would be a reminiscence of the glum starless nights of early June, 1943.

I Would

...remember the black bags under Hideo Hoshide's eyes for lack of sleep. Familiarly known as "Snake", Hoshide stayed late with us at the office night after night waiting the birth of his first baby. It came to a point where we were more concerned and anxious over the coming blessing than he. A Tremendous

...relief it was when the seven pound baby girl finally came. The happy father passed the proverbial cigar and, in addition, pies. He slept, says he, like a log that night.

Life Goes

...on at Tule Lake. People come and go.... mostly going. "Are you still here?" has become the conventional greeting. It's becoming embarrassing and a nuisance to be asked when we're going out.

It's A Fact

...that people of some importance in the social make-up of the Project are resettling in rapid rate. It's going to be hard to find the right people for the right job, but after all, this is a good place for young people to be trained and developed. There's always somebody to do the job.

TSO COMMITTEE WORKS TO OVERCOME OBSTACLES

By Fumi Yumibe

Disappointments, despair, and heartbreaks will soon be a memory of yesterdays for the hard working TSO members. A bit battered in spirit, but they'll soon pick up, and really make a go of it. All they need is a bit of moral support, and a dash of cooperation.

Ye Servicemen wherever you are don't be bashful or shy, this is the opportunity you've been waiting for. Come on, pitch in and participate.

Urged To Use Evacuee Labor

At a conference conducted by the War Manpower Commission at Salt Lake City recently, the use of more Japanese American evacuees to solve Utah's acute labor shortage was urged, reports the Pacific Citizen.

Making the suggestion was Major M. J. Tierney of the labor supply division of the Ninth Service Command who said, "Probably many thousands of the interned Japanese Americans could be placed in useful occupations without risking danger to the nation."

Also discussed were the evacuees who reportedly abuse the terms under which they are released from the centers.

FARM EQUIPMENT

Any evacuees from the vicinity of Auburn, Washington who has stored farm equipment they wish to sell is requested to contact W. Makiyama, of 7306-D.

ANYONE FIND A CHEVY HUB CAP?

for your attendance depends a great deal on the future of such a program.

Mrs. Sada Murayama and her committee have been putting their heads together devising various plans to make the soldiers feel at home. The parents of the men in service, too, have become new members of this organization.

Just what do the hostesses do, you may ask. At present they haven't become full fledged hostesses, but are going through a period of training. They've just finished their first course on etiquette and general information. The other two courses will run in the line of inner security, faith, charm, and personality.

Later after graduation they will don badges and help entertain the soldiers with as much charm and poise as the other hostesses outside. So ye TSO pioneers buck up, the lads in khaki will soon come to the rescue.

Mayeda Speaks On Resettlement

Harry Mayeda spoke to the #67 Hi Liners and the Ward VII Clubs last week on the topic of "Resettlement", stressing its difficulties and advantages.

In summarizing, he quoted a section of Wm. Henry Chamberlin's "Way Civil Liberties Now?"

"The fight for civil liberties must be waged continuously, courageously and consistently or it will be lost. For the capacity to appreciate even to exercise these liberties might easily be atrophied in the event of a long suspension under the double pressure of bureaucratic encroachment and mass intolerance. What is even more appalling in the totalitarian society that the absence of liberty is the ever-growing lack of consciousness that there was such a thing as liberty to lose."

FORUM TO MARK OPENING OF SECOND BUSSEI CONFAB

A vital forum on Relocation and Resettlement will mark the opening of the Second Annual Tule Lake Young Buddhist Association's Conference this Friday, from 8:30 p.m. at 1720. The conference theme is "Unity Through Gassho."

With James Nakagawa as chairman, many noteworthy speakers have been lined up. Speaking as guest of the evening will be Davis McIntyre, assistant employment officer from Washington, D.C., who is expected to give a brief talk on the outside employment situation. Neil McNeil, assistant Co-op. advisor, and Frank Fagan, employment chief, have been secured as speakers on the forum. Another outstanding speaker is the Rev. Shigeo Tanabe of the Tule Lake Union Church.

Others on the forum are John Fukuyama, Frank Nakamura, and Mark Sato. After the forum the floor will be opened to the audience for questions. A roving mike is being planned for this.

Invitation has been extended to the Christian group to participate in certain phases of the conference.

The new Instruction provides that hereafter there will be no waiting period between expiration of allowable sick leave and commencement of compensation. Upon certification by the Employment Division, unemployment compensation will be paid from the date the applicant became eligible.

There is no change in the rate of compensation. Persons certified as eligible will continue to be paid 60 percent of their wages; that is, \$7.20, \$9.60, or \$11.40 a month.

The maximum period for which compensation will be paid is 90 days. Eligibility must be reestablished every 30 days during this period through a physician's certificate.

HEAVY SLUGGING NOTED IN SOFTBALL LEAGUES

MATSUFUJI TOPS ALL HITTERS; 24 PLAYERS HIT .500 OR BETTER

Softball players this season are pounding the pill at a terrific clip as in this week's batting averages there are 24 hitting above the .500 mark. Riki Matsufuji (of the band leading fame), playing for Block 23, leads all sluggers with a mark of .625, while Kay Ishimoto, Block 4, and Don Hori, Block 37, are in the runner-up spot with .579.

In comparing averages of the 7 leagues, the Wards 1, 2, 3, and 4 league teams are batting at a higher clip than in the Ward 5, 6, and 7 leagues. Whether this is due to the better pitching or better batting is not known but much will be decided when the various champions meet for the city title.

An interesting play-off series will begin soon in men's softball when the various ward champions pair-off for the city championship.

Already definitely in are Block 13, Block 47, and Block 21, while in other leagues the champions are not decided because all score sheets are not in or they have one game to play this evening.

Trophies will be given to the ward winners and to the city champ. They are on display now at Canteen 1.

on Block 20 in the final game of the season last week.

J. Takeuchi hurled four-hit ball for the winners while Block 20's pitcher Masaki was being touched for a total of 16 safeties.

The outcome was never in doubt as Block 21 gained a 5-0 advantage in the first inning and it wasn't until the seventh that Block 20 scored their lone tally.

Slugging honors were divided between Kawamura and Okai of the champs, each with 3 hits in 4 trips.
