## May Use Evacuees In War Jobs WAR DEPARTMENT ANNOUNCES POLICY

That Japanese may be employed on important war projects if they are released from relocation centers was indicated with the recent announcement from the War Department that all loyal and qualified workers regardless of national origin or citizenship, are to be used to the fullest extent by all War Department contractors, it was stated in the July 1 issue of the Sacramento Bee.

This new policy, the announcement said, is the joint national policy of the War Department,

### NATIONAL GIRLS SQUAD VICTORS

A 7-run outburst in the first inning enabled the National League Girls All-Star team to chalk up a 13-8 win over the American feds yesterday afternoon on field #2.

After leading 10-3 at the end of the third frame, the American leaguers punched across 7 tallies in the fourth, fifth, and sixth to close the gap to 10-8 at one poi-

Attorney General, Navy Department and Maritime Commission.

"To meet the rapidly expanding military and industrial demands for manpower," the announcement went on, "this joint statement was

### EX-TULEANS, YUKIO OZAKI AND JACK MOYER, IN ARMY

Two ex-Tuleans entered the armed forces recently.

Yukio Ozaki, well-known here for his singing ability and recent transfer to Minidoka Relocation Center, was accepted for the language school at Camp Savage, according to the Minidoka Irrigator.

### RUMOR

There is no foundation to the rumor that this Project will become a segregation center, according to Project Director Harvey M. Coverley.

If and when any of the projects are to become segregation center, the announcement will come officially from Washington.

nt, but a rally in the 7th won it.

made to the end that the available manpower may be utilized by contractors and manufacturers to the maximum degree consistent with the importance of internal security."

Jack Moyer, who was in this Project for the first few months but who later was able to return to his home in Hoquiam, Washington, volunteered for the Japanese-American combat and was inducted at Fort Douglas, Utah, early this month, it was learned.

### NAT. ALL-STARS WIN 12 TO 11

In a free-hitting free-scoring ball game, the National hardball All-Stars squeezed out a 12-11 triumph over the American All-Stars yesterday afternoon.

At the end of the fourth, the Nationals had gained a 11-5 advantage but in the final five innings, the American squad nearly caught up.

The winners broke through to get a run across in the first of the ninth for the winning margin.

For the Americans, Fujii and Muraoka pitched while Nakao, Goto, Horio, and Matsumoto worked for the Nats.

### TWO ADULT BOOKKEEPING CLASSES OPEN THIS WEEK

The Adult Education Department announces the reopening of classes in bookkeeping. Mr. David Marr is the instructor. The schedule follows: beginning bookkeeping--MTWTF, 10:45 to 11:45 a.m.; advanced bookkeeping--MTWTF, 4 to 5 p.m.

All interested adults may enroll this week at 4508-A.

"Anyone looking forward to employment in the business world will find it of advantage to have a clear understanding of the fundamental principles of bookkeeping and accounting. Such knowledge will also prove valuable in keeping personal, social, and business records, so important today," said Marion Francis, Adult Education head.

Students formerly in Mr. Sample's classes are urged to enroll again and to finish their course before September 1. A Certificate of Completion will be given.

### NOTARY PUBLIC

Mrs. Helen Thomas, notary public, will be at the Legal Aid office Tuesday and Friday from 10-12

## Analysis Office Staff Organized

The Community Analysis Office at 801-A is now going full speed ahead in the colony, announces Dr. Marvin K. Opler.

His recently-organized staff is composed of people of this Project who are sensitive to its welfare and who represent a wide range of background and experience. In-

cluded are issei, nisei, kibe with both Christian and Buddhist represented.

Dr. Opler explains that the individuals chosen for this task of community study are themselves well-respected in the community and in a position to speak authoritatively about it.

He states that the office is open

to any colonist who is interested in the work of studying the Center and he hopes that many will come to advise his staff.

Since his profession has always been that of a sociologist and anthropologist, Dr. Opler says that he shares with the residents a deep concern for their welfare.

WARD TOURNEY FINALS  
TO BE PLAYED TUESDAY

TIE GAME BETWEEN WARDS 5 3 SAT.

THE TIE GAME BETWEEN WARDS 5 AND 3 WILL BE PLAYED TONIGHT AT FIELD 17-26 AND THE TITLE CONTEST IS SCHEDULED FOR TOMORROW NIGHT, ALSO ON FIELD 17-26, STARTING AT 6:45.

When the Wards 3 and 5 softball All-Star squads battled to a 5-5 nine inning tie last Saturday evening in a game that was called on account of darkness it automatically cancelled the championship game which was scheduled for tonight on field 17-26.

Ward 2 became a finalist by eking out two close contests, nosing out Ward 1 by a 4-3 count in eight frames on Friday and then squeezing out a 8-7 win over Ward 6, a bye team, on Saturday.

Three tight, hard-fought clashes marked the opening elimination rounds of the city Ward all-stars play-off tournament last Friday evening.

Ward 2 All-Stars broke a 2-2 deadlock in the top of the eighth with 2 runs and held Ward 1 to only 1 tally in their turn at

the plate to win by a 4-3 score in their first tournament start. It was a hurling duel all the way between Ward one's Mick Tamiyasu and Ward 2's Iggy Yoshimura.

In a game marked with plenty of ill-feeling, Ward 3 and Ward 4 mixed it up in what turned out to be a scoring parade in the late innings with Ward 3 barely coming out ahead by a 11-10 margin. Being behind 10-8 in the last of the seventh, the winners came through with 3 runs to win.

Ward 5's K. Abe registered the only shut-out so far when he whitewashed Ward 7, 3-0, giving up only 1 hit. Losing pitcher C. Taketa allowed all 3 runs in the first inning but outside of that he pitched air-tight balls for the rest of the game.

This was the best-played contest of the play-offs. Ward VI drew a first round bye.

## PEE WEE STANDINGS AND RESULTS

## PEE WEE LEAGUE
