REMEMBER Many Job Opportunities IRRIGATION OF RETURN AD. In Kansas City Area FARM BEGINS

All residents are reminded by the post office to make sure that the return name and address are printed plainly when ordering from outside firms. All unclaimed packages without addresses are returned to the sender.

The list of unclaimed mail is published from time to time in the DISPATCH and everyone is urged to check it over carefully.

"DOWNBEATS" LAST DANCE

Engineer's Anniversary Ball will be held Wednesday, July 21, instead of Saturday, it was announced. It will be the Downbeat's last appearance.

YASUI'S SENTENCE CUT; CITIZENSHIP RETAINED

Minoru Yasui, American-born Japanese, was resentenced by Federal Judge James Alger Fee, who reduced the term of imprisonment from the one year originally set to eight months and ten days and specifying that the defendant should be given credit for the time already served in the Multnomah county jail. The \$5000 fine, assessed formerly, was also eliminated.

At the same time Judge Fee announced that he was striking from the judgment "any finding that may exist therein to the effect that the defendant is not a citizen of the United States."

The United States

COST OF LIVING IS LOW

There are many opportunities for employment in the area served by the Kansas City War Relocation Office, Vernon R. Kennedy, relocation supervisor for the area, says.

Wages are not as high as in some of the industrial centers, but offsetting this is a lower cost of living.

In this area are five metropolitan districts--Kansas City, Wichita, St. Louis, Des Moines, and Omaha. Suitable housing can be secured with some effort in all of these cities but is readily available only in Des Moines.

Supreme Court, which upheld the lower court's conviction of Yasui on the charge of violating the alien curfew regulations, at the same time held that the question of the defendant having surrendered his citizenship should not have been brought up in the proceeding. The higher court also sent the case back for resentencing.

HOSTEL OPEN IN OMAHA

Hostel arrangements have now been made with the Omaha Y.W.C.A. for Japanese-American girls who are seeking employment in Omaha. The charge for meals is 25¢ for breakfast, 40¢ for lunch and 60¢ for dinner.

The attitude of the people generally toward evacuees is particularly good in Des Moines and the surrounding area and in many of (cont'd on page 3)

SOCIAL WELFARE OFFICE MOVES

On Friday, July 16, the Social Welfare Division moved to their newly-remodeled office at building 1804. Hereafter all residents are requested to go to the new office which is already open for service.

SHELBY SOLDIERS AID HAWAII PARALYSIS FUND

CAMP SHELBY, MISS July 15--Culminating a two-week drive, enlisted men and officers of the Japanese-American Combat Team collected over \$7000 to be sent to the Hawaii Poliomyelitis (Infantile Paralysis) Emergency Hospital Fund.

In accepting a check which he will forward to Honolulu as the Combat Team's donation, Col. C.W. Pence, commanding officer of the Combat Team, said: "It isn't only the amount that provides great satisfaction, but there is the additional outstanding fact that this money has been do-

All rooms have been inspected and many up-to-date rooms are now available. The renting of the rooms are from \$3.50-\$10.00 per wk.

More details available at the Placement

Tule Lake vegetable farm is now undergoing intensive irrigation, it was reported today by C.R. Kallam, farm superintendent. The irrigating men are working in two shifts to meet all demands. This irrigation was started late in the spring and it will be continued through the summer.

With the laterals and drains completed, the farm is now being irrigated with a minimum of men and a maximum of efficiency, Kallam said.

nated by soldiers who come from both the mainland and Hawaii. That, I believe, is indicative of the spirit of teamwork which has become characteristic attribute of the Combat Team.

"The Infantile Paralysis Drive that has been going on in Hawaii is a worthy cause, a fitting parallel to the campaign that has been conducted for so many years by our Commander-in-Chief President Roosevelt to combat infantile paralysis in this country. I am sure that our soldiers have given generously and to the utmost of their ability in the hope that their fighting dollars will do some good, just as they have contributed in the past to other such worthy causes as the Red Cross and the War Savings Bonds."

FINE WORKMANSHIP LOCAL FURNITURE FACTORY SUPPLIES OTHER CENTERS

By ALLEN ASAKAWA

The Project furniture factory is now operating in five buildings. During the past, this factory has fulfilled all the project needs in furniture and woodwork.

Departees

Thursday, July 15, 1943: Frank Yamamoto, Thomas Hasegawa, Frank Tsukahira to Chicago, Ill.

Monday, July 19, 1943: Teruichi Nasu, Perry T. Mori, Bob K. Kurihara, Joe T. Yamada, Masaji Takata, Carl T. Yano, George K. Goi to Chicago, Ill.; Masayuki Sakato, Kiyo Sakato, Miriah Takatsuka to Reno, Nev.; Tommy Hamai, Fred Nakata to Pleasant Grove, Utah; George Okasaki, George Yonehiro to Detroit, Mich.; Shizu Seike, Wilce Shiomi, Mitsuko Shiomi, Mizono Shiomi to Spokane, Wash.; Tatsuko Ohashi, Aileen Ohashi to Walla Walla, Wash.; Takeshi Nakamura to Aurora, Ill.; Masako Ishida to Widow Rock, Ariz.; Masao Inada to Cincinnati, Ohio; Tuffy H. Yasuda to St. Clair, Mich.; and Emiko Fujimoto to Denver, Colo.

The schools here have been completely supplied with chairs, tables, cupboards and other necessities.

Not only are simple things made, but such things as meat trays for the slaughter house, fingerprint file for Internal Security, files for offices, office desks, variation of chairs, tables, drawers and countless other items are being made for the various divisions.

Due to the fine workmanship of the men here, the demand for Tule Lake furniture has spread to other centers. In order to meet the demands the furniture factory is now sending needed furniture to Manzanar, Minidoka and Topaz. The men are now filling outside orders and at the same time maintaining the needs in this center.

When officials from Washington recently visited the factory they highly commended the working force, as well as the office staff, for their fine workmanship and proficiency.

The factory is located in the southern end of the Project in the warehouse area.

THE MEN WON...OR DID THEY?

We, the men, basked in our glory on the outdoor stage last Tuesday night.

However, the moment of our triumph was short-lived. Much to our dismay, we are being boycotted by our former lady friends.

How Corky reconciled what he said with the things he tells his wife must be due to his "fast talk."

ABOUT SLACKS

With Harry's painful-but-truthful comments on slacks, we are beginning to notice fewer such garbs on the Project ground. We have always known Harry to be influential but we did not realize to what extent he was influential.

Among the few men who refused to comment against women were newly-wed Oliver Noji and our boss, John D. Cook. John D., we understand, is a connoisseur of feminine pulchritude. He has been seen lately, rather consistently, at some of our social events with a certain charming young lady.

CAUCASIANS HELP FUND

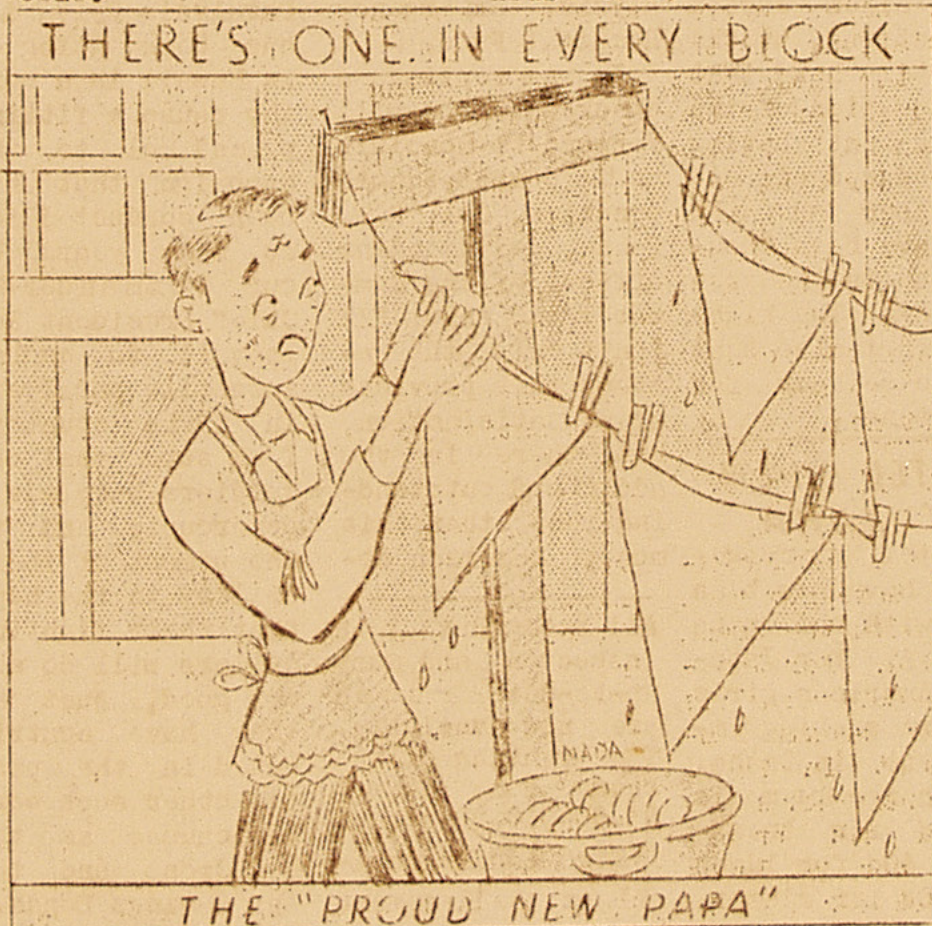

Incidentally, we like the way the Caucasian personnel of the Project participate in our various activities with keen interest. Notably, the teachers of our schools have shown concern over the welfare of the young evacuees and they are doing more than their share in the scholarship fund drive to send worthy students to higher schools of learning.

The recent Faculty Follies and the Glee Club concert were truly indicative of their sincere efforts.

JOHNSON PLANS DANCE

Don Johnson, the facetious moderator at the last forum, is working on a gala benefit dance at the new auditorium, the proceeds of which will go to the fund.

The scholarship fund drive deserves the support of all Tuleans.

KANSAS CITY AREA IS GOOD FOR RELOCATING SAYS REPORT

JOBS JOBS

(Continued from page 1) the smaller cities and towns in Iowa and Nebraska due in a large measure to the excellent support given the relocation program by the Des Moines Register which has a very wide circulation in the area.

In the smaller cities and towns there are many opportunities for office and industrial employment. From five to ten evacuee families can be placed in each of these communities with very little difficulty and with reasonable assurance of public acceptance.

While available work may not pay the top wages of war time, work in this area will be more permanent so that people who go to these communities will be in a much better position to weather a depression than those who go to the highly industrialized centers.

Farm labor in the Kansas City area is unlike the seasonal type in California. Farm jobs represent year-around employment and greater security. Ordinarily, employment on the farms pays from \$60 to \$90 a month with a tenant's house provided, with use of a cow, garden space and an opportunity to raise chickens. The farmer usually kills several hogs, and the tenant ordinarily get some of the pork. If there are other employable members of the family, they can generally get work nearby at hourly or daily rates

LOST AND FOUND

LOST: Black Parker fountain pen with silver band around it. Return to James Nakagawa c/o Coop Office. Reward.

LOST: 1 pair of poloroid glasses and full view frame. Contact Internal Security or 1015-A. Reward.

LOST: A wallet containing valuable papers and documents. Return to Alwin Sato, 704-D. Reward is offered.

of pay.

Schools and recreational facilities are good. School bus transportation is available in most of the rural areas which are not far from smaller towns or cities.

Many farmers have indicated to Mr. Kennedy their willingness to make some arrangement for satisfactory farm workers which will go beyond that of a salary basis of employment. However, before such an arrangement can be made, evacuees must have proven themselves and have worked on monthly wage arrangement.

The opportunities for relocation in this section on the family basis are almost unlimited, both in the rural areas and in the smaller towns and cities. The residents of smaller towns are able to raise gardens and can foods. They have much lower rents to pay than the dwellers of large cities and for the most part, greater security in employment.

WILL BUY CARS

To buy trucks, pickups, cars, tractors, and farm equipment, Vern Moore, representative of the Balsiger Motor Co. of Klamath Falls, will be at the Evacuee Property Office each Wednesday from 1:30 p.m.

LABORERS

...4 persons to work in battery shop, no experience necessary. 70¢ per hr. with sleeping quarters. Dayton, Ohio (Red Bar Battery Co.)

...10 men for general work. 45¢ per hr. to start. Cincinnati, Ohio. (Cincinnati Dowel & Wood Production Co.)

...12 men for handling material, loading and unloading, etc. 65¢ per hr. with increase every 2 wks. Cincinnati, Ohio. (Paterson Products Inc.)

...10 men to work in a firm manufacturing poultry, stock and animal feed. Cincinnati, Ohio. (Cooperative Mills, Inc.)

...5 men to work in foundry at 90¢ per hr. Detroit, Mich. (Graff)

...1 auto glass installer at 65¢ per hr.

...1 plate glass cutter at 75¢ per hr.

...2 rougher and bevelers at 75¢ per hr.

WANTED: 2 sales girls 18 years of age or over. Apply at 717-A.

Letter To The Editor

To the Editor,

I am a member of the local Co-op and feel that this practice of reserving goods for others, instead of selling them over the counter on an equal basis, is not fair to all concerned.

On Friday, the fish market "sold" chicken to the public. The store was open for business, but all the chicken were already "sold". Since the chicken were brought to the fish market after closing hours of the previous day and the store did not open until 9 a.m., of the next day, the stock could not have been sold over the counter except through the reservation system. If this is the case, how is the average customer going to get the chance to buy on an equal basis?

After being told that the chicken have all been sold, it gripes one to see others carry out chicken which were reserved for them by someone on the inside. We are not all fortunate in having a "friend" who is working behind the counter.

A Co-op Member

GIRLS LEAGUE MEET TONIGHT

An important meeting of the newly-organized Girls League is scheduled for tonight at Recreation Hall 1408 from 7 p.m.

It is urgent that every member be there.

Letterman's sweater will be shown and the type which is wanted will be voted upon. Also plans for a new softball league will be discussed.

PEEWEE LEAGUE STATS REVEALED

As of July 14, the Pirate Jrs. and the Fighting Tigers are in a two-way fight for the Pee Wee League championship race.

The schedule is at the half-way point.

PEEWEE LEAGUE

	W	L	PCT.
Pirate Jrs.	5	0	1.000
Fighting Tig.*	4	0	1.000
Avalon Jrs.	4	1	.800
Pacer Babes*	3	1	.750
Block 42	3	2	.600
Avalon Babes	2	3	.400
Cardinals	1	4	.200
Half Pints	1	4	.200
Rangers*	0	4	.000
Tiger Cubs	0	4	.000

TEN-HI UNDEFEATED IN LEAGUE RACE

Setting a stiff pace in the Old Men's Industrial Softball League are the powerful Ten-Hi lads, being the only undefeated team, as of July 16th.

INDUSTRIAL SOFTBALL LEAGUE

	W	L	PCT.
Ten-Hi	8	0	1.000
Royal 4-Flush.	7	1	.875
Johnny Walker	4	3	.571
Bottle-Necks	4	3	.571
#4 Spuds	4	4	.500
3 Stars	4	4	.500
Ward II Topp.	3	3	.500
68 Old Timers	2	5	.285
Esquires	1	6	.142
Block 7-8	0	7	.000

BIG DUST STORM HITS PROJECT SUN. AFTERNOON

What started out to be a fine hot Sunday afternoon gradually turned into cloudy weather and then in the late afternoon, as the ball game between the California-Oregon All-Stars and the Tule Lake All-Stars was in the eighth inning, the worst dust-wind storm in the history of Tule Lake roared between the barracks and across the open stretches.

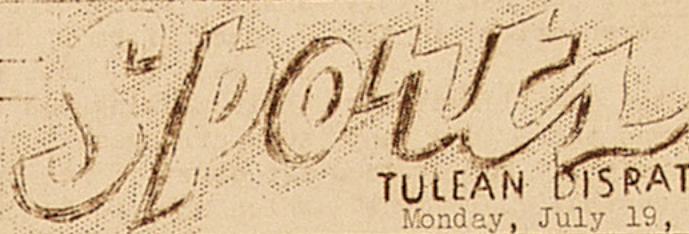

The thousands of people at the ball park scattered like stampeding cattle when the dust was seen rolling toward the field and when the storm did strike, the Project was blacked-out by the dust for about 30 minutes.

LOCAL ALL-STARS THUMP CALIFORNIA TEAM; WARD 3 WINS AGAIN

Tule Lake All-Stars chalked up their second straight victory over an outside semi-pro team when they defeated the California-Oregon All-Stars by a 16-8 count yesterday afternoon in a game which was stopped in the eighth inning by a terrific dust storm.

Sunday evening the Ward III city all-star champs eked out a 7-6 win over the Bussei All-Stars.

Complete details for both games will be published tomorrow.

Page 4

CITY TENNIS TOURNAMENT SET FOR JULY 31-AUG. 1

Tule Lake's first all-city Tennis Tournament has been definitely set for the week-end of July 31-August 1. Tournney will begin on Saturday at 1:30 p.m. and will be throughout Sunday.

Events to be held will be men's singles and doubles tournament.

Racket wielders may enter at the following places: Ward 1--Sab Maruyama, 1415-B; Ward 2--Lester Matsuomoto, Block 28; Ward 3--Howard Hida, 3507 -D; Ward 4--Ken Takemoto, Block 20; Ward 5--Ted Nakao, Block 48; Ward 6--Frank Matsumoto, 5616; Ward 7--Ken Takemoto, Block 20.

Entry fee will be 25¢ for singles and 15¢ each for doubles. Deadline will be Monday, July 26.

Chairmen of the event are Ted Nakao and Tokichi Matsumoto.

Prizes will be awarded the champions and runner-ups.

All tennis players are urged to take part in the contest. Stellar players

from the Northwest and California should make this tourney an interesting affair.

BLK. 25 GIRLS COP AMERICAN TITLE

Block 25 slaughtered the Block 67 Hi-Liners 24-8 last week to cop the girls' American League diadem.

The game started off wildly as in the first inning, the winners punched across 8 tallys on 4 hits while the Hi-Liners made 4 runs. Block 25 extended the margin to 13-4 in the second and from there on the outcome was never in doubt.

The National champs, Block 41, will tangle with 25 this week in a two-out-of-three series for the city girls softball title.

BIG SIX BATTERS IN PEEWEE LEAG.

K. Kawasaki of the Avalon Jrs. is setting a high batting average in the Pee Wee League with a high .722 with 13 hits in 18 trips to the plate.

Close behind in second place is T. Hamamoto of the Pacer Babes with 7 hits in 10 trys for an even .700.

The top six are:

	AB	H	PCT.
Kawasaki, Av. Jr.	18	13	.722
Hamamoto, Pa. Ba.	10	7	.700
Fukushima, E. 4223	15	10	.652
One, Pirate Jr.	15	9	.600
Tani, Pacer Ba.	14	8	.571
Kawasaki, Av. Ba.	9	5	.555

as of July 14.
