

COVERLEY GIVEN RANK OF CAPTAIN

It's Captain Harvey Mills Coverley now! Our project director since late in December, 1942, who left here yesterday to attend the school for military governors at the University of Virginia for the next four months, was given this ranking, previous to his notification to report to school on August 1.

His selection by the government to serve in the capacity of military gover-

nor is one of rare honor.

During Coverley's stay at the Tule Lake Project, residents witnessed great advancements in the agricultural program, hog and poultry farms, construction of the schools and in many other departments.

His loss will be keenly felt and though he regreted to leave, service to his country comes first above all.

TWO SPECIAL PERFORMANCES

The Little Theater will present special repeat performances at 408 tonight and tomorrow night from 8 p.m.

Admission will be 10¢ at the door and no tickets will be sold previously.

Servicemen are admitted free of charge.

DANCE HELD EVERY TUES.

"Stroll-in Dance" is being held every Tuesday evening at #1908 from 8:30-11 p.m. by the Recreation dance department. Just as the title indicates, this weekly dance is very informal and open to couples only. A nominal

NEW MOVIE

"The Count of Monte Cristo" is the new movie which will start its run tonight, it was announced by the motion picture dept.

BROWNIE SCOUTS MEET TUESDAY

There will be a meeting of the Brownie Scouts every Tuesday at 31-08 from 4 p.m. All girls between the ages of 7 to 10 are urged to register.

admission charge of 5¢ per couple is made at the door to cover expenses.

"Come as you are with a drag" every Tuesday and enjoy the evening at the stroll-in dance.

Students Register For Summer School Tomorrow

Tri-State students who wish to take summer school classes may register Tuesday, July 27, from 8 to 9 a.m. in 18A. The following courses are now open and are not limited to make-up students:

Free hand drawing, crafts, mechanical drawing, home nursing, and clothing. Each of these courses will give $\frac{1}{2}$ credit. Also a limited number of seniors will be al-

lowed to take Economics, Sociology or Civics, each of which is $\frac{1}{3}$ credit.

In addition, there are the following valuable courses being offered without credit: First Aid, Scout leadership training and all types of music.

NOTICE TO RESIDENTS

The Internal Security is again requesting residents not to ask them questions about the segregation program.

They urge that persons wait until after the conference in Denver is over.

ENGLISH CLASS

New beginners English class for both men and women will start tonight 7-9 p.m. at 2608-B.

School Recreation Program To Begin

A recreation program has been organized for all interested Junior and Senior high school students during the summer vacation period. This program is for the benefit of all students, regardless of whether or not they are enrolled in summer school. It is the earnest desire of the school to have every boy and girl in the Project to take part.

There will be both outdoor and indoor activities,

organized and unorganized.

Indoor activities will largely be under the supervision of Kay Tift and Charles Palmerlee. These include ping pong, shuffleboard, cards, checkers, puzzles, and "plain loafing." The indoor recreation center will be at 7108 and if it is desired it will be kept open evenings. In addition to the games there will be music and magazines for the weary, it was said.

The outdoor pro-

gram for boys will depend entirely upon what the students want. Softball, hardball, horse shoes, tennis, volleyball, basketball, and boxing can be offered. Interested students are urged to stop in at 17B anytime tomorrow (Tuesday) to register for the sport that they wish to have. The sooner this registration is complete, the sooner the program can be started.

Don Johnson is particularly anxious to organize ten-

nis teams. It is also hoped that either a hardball or softball league can be organized, with prizes to be presented to the champions.

Junior high boys are reminded that they are included in this recreation program.

GIRLS SKED STARTS TODAY

Girls' summer recreation program started today and all Senior or Junior high girls are urged to register immediately at 7108.

PERSONS RELOCATING IN MIDWEST WRITE FAVORABLY

Harold Pistere, relocation supervisor of Cleveland, shows by the following letters (continued from yesterday) that the people of the Middle West are, on the whole, understanding on problems concerning the Japanese-Americans.

"The situation here is very suitable for any race at the moment and the condition in the East is very light and cannot be compared to the severe discrimination of the West Coast."--Sidney Fujita, formerly of Poston.

"Everyone I've met, both in my working experience and in my private home life, has been very kind and friendly. At no time has anyone shown any indication of antagonism towards me. Everything has been very satisfactory and now that I've gotten over a very serious case of homesickness I'm quite happy. I sincerely do hope that more and more people will leave the centers and try to start again in new surroundings."--Sumi Kasuya, formerly of Topaz.

"There is a lot of staring at us but maybe because we feel inferior to a certain extent after being in the relocation center for a year. I like my employers very much. I am doing engineering work in defense housing. My wife is also working."--Kelly Yoshio Adachi, formerly of Rohwer.

"My boss has been nice and sincere. He sees that whoever comes over to his place, relatives or friends, that I meet them. Even his neighbors are just like being in Fresno before the war...When I went to church the people who are members of the Congregational church cordially invited me to their home."--Frank H. Osaki, formerly of Gila River.

"Here at Baldwin-Wallace college I am being treated superbly by both the faculty and the students. The execution of those American flyers seems to have made absolutely no difference in their attitude toward me. I am getting along wonderfully and having lots of fun!"--Mary Furusho, formerly of Minidoka.

"...I get along swell and up to now have not encountered any racial prejudice. I mind my own business and find the people very sympathetic, in fact many of them go out of their way to make us (Van and I) feel at home."--Juichi Kamikawa, formerly of Jerome.

HUGE POTATO BIN STARTED NEW SEWING CLASS

Since storage room for potatoes is limited here, a huge bin is now in the making at the southern extremity of the project, it was reported today. During the past few days a derrick has been shaping out the form of the bin in the ground.

With the large part of the ground now dug out, a construction crew will soon start in with the structure. Upon completion of the bin, it will be covered with soil to give the potatoes ample protection during the

Miss Nancy Uyeno will open a New Beginner's Sewing class for the high school age girls. All those interested should register on July 27, at 1008-A, between the hours of 9 to 11 a.m.

The class is scheduled for Monday, Wednesday and Friday from 8:30 to 12 noon.

cold winter months.

The potato bin will be finished sometime in September, it was disclosed by Julius P. Christensen, chief Construction foreman.

Our Town

THE TIME HAS COME

...for me to bid farewell to Tule Lake and its nice people. In many ways it has been a pleasant and exciting experience living as we did for the past year. I am sure a feeling of loneliness will surge upon me, which is not uncommon judging by the letters we receive from the outside. However, sooner or later we must resettle and adjust ourselves.

The memories of Tule Lake (or Newell) shall haunt me for years to come. How can one forget the barbed wires, fire tower (or should I call it the sentry tower?), community mess halls and latrines, the simple living quarters, sceneries like Castle Rock and Abalone Mts., canteens, the huge cheering crowd at the various sports event, the excitement during registration and the anxiety of the present segregation problem, dances and socials which were held in mess halls, and those sudden dust storms?

Cincinnati Hostel is my primary goal. From there I hope to go to New York for employment. One regret is that I'll be traveling alone, none of the other 24 relocatees taking the same train. In a way I'll be facing an acid test--whether I can adjust myself among the Caucasians. Well, here's hoping I don't put any of you in an embarrassing position by blackening the position of the nisei.

In closing I would like to thank the people of Tule Lake for their friendly ways and their kindness. It's been swell living among you.

To the staff members of the TULEAN DISPATCH, the YBA Board of Directors, the people of Block #37, and to all whom I have met at one time or another I extend my heartfelt thanks and appreciation. May we meet again under peaceful conditions.

ACLU Says 'Evacuation Worst Invasion Of Citizens' Liberties'

The "worst single invasion of citizens' liberties under war pressures" in the past year was the wholesale evacuation of more than 70,000 American citizens of Japanese ancestry and their subsequent confinement in what are "virtually concentration camps", according to the annual report of the American Civil Liberties Union issued this week under the title "Freedom in Wartime."

Reviewing the state of civil liberties from June 1942 to June 1943, the Union reports a striking contrast between World War II and World War I, and concludes that "our democracy can fight even the greatest of all wars and still maintain the essentials of liberty."

Among the exceptions to this healthy state of civil liberties, the Union lists the Japanese-American issue first.

Condemning the treatment of Japanese-Americans as "discrimination based on race", the ACLU reports a continuous agitation against evacuees in the form of local resistance to resettlement of individuals and families, bills in legislatures and cases in the courts.

The evacuation from the Pacific Coast of the entire Japanese population, aliens and citizens alike, under orders issued by Lieut. Gen. J.L. DeWitt in March 1942 was completed in the early fall.

"Considering the speed with which so many people were moved from their homes and occupations", the ACLU reports, "The military authorities did an extraordinary job with minimum of complaint. But the fundamental discrimination based on race marked the entire process and inspired a continuous agitation not only in the Pacific Coast states but throughout the country."

The situation has been somewhat relieved, the report shows, by permitting loyal Japanese-Americans to leave relocation centers and resettle outside military zones, by recently accepting into the army volunteers of Japanese ancestry after excluding them from Selective Service, and by permitting Japanese-American

soldiers in uniform to return to the evacuated area.

"But none of the measures", the ACLU report adds, "are as yet nearly adequate to restore the rights of American citizens nor to offer a long-range solution. Despite the Supreme Court's decision that the restrictions were constitutionally justified in a war emergency, the practical problem will long remain of repairing the vast damage done, materially and morally, to a helpless minority of our fellow-citizens--and to our own democracy."

The report praises the War Relocation Authority for its policy favoring the release of loyal Japanese-Americans from relocation centers, and condemns the Dies Committee for its campaign to obstruct the government's program.

During the past year the Civil Liberties Union has actively cooperated with agencies endeavoring to resettle nisei.

TURKEYS MOVED TO NEW LOCATION

Because of the limited building and grazing space on the present poultry farm, the flock of 500 turkeys were moved to a place east of Block 54, it was reported today. These turkeys will be stationed directly across the canal where there is an unlimited grazing area. They will be left there to fatten until Thanksgiving and all turkeys will be used strictly for local consumption.

Due to the fact that there will be no barriers of any kind, the residents are warned not to disturb them in any way, declared Mr. Makino, foreman in charge.

These turkeys have been under the watchful care of Mr. M. Iseri, an experienced poultry man, formerly from Marysville, California.

EXTENSION COURSE AT MANZANAR

An extension course in Zoology will be taught at Manzanar through special arrangement with the University of California, it was reported in the Manzanar Free Press.

This is one of several extensions courses being offered for the benefit of the Manzanar residents by the University of California.

THERE'S ONE IN EVERY BLOCK

"DAILY DOZEN"

HILLMEN DROPS MARYSVILLE 7-3

Except for a bad eighth inning when Marysville scored all three of its runs, John Horio hurled a five-hit 7-3 victory for Hillmen Saturday afternoon. It was the second straight victory for the league favorites while it was the second defeat for Marysville.

Winners jumped to a one-run lead in the second inning as Sumio Horio singled to center, then came in after a sacrifice and a ground out.

In the fourth, Hillmen stretched the lead to 5-0 as they pounded out seven hits, including a double and a triple to send Frank Horio, R. Horio, John Horio, and Kodama across the plate.

Two hits contributed to Marysville's 3 tallies in the eighth frame after the Hillmen nine had built their lead up to 7-0.

ERRORS SPELL DEFEAT FOR RVSIDE

OKOLE IN 2ND WIN

Taking advantage of ten Riverside errors, Okole House pounded out a 9-7 win over them Saturday to stay neck-and-neck with Hillmen in the Major League standings.

Seibo Fujii worked seven innings for the boys of Okole and was credited with the victory.

After a scoreless first inning, Okole House got four runs in the last of the second. Morio Hada walked, Jack Hayashida beat out a sacrifice on an error and then both runners scored as Kashiwagi slammed a triple into center. Takuma singled to score Kashiwagi.

Riverside got three of them back in the third on a walk, two hits, and an error.

In the third, fourth, and fifth cantos, the winners scored often enough to hold a 8-6 advantage and as each team countered once in the eighth, the two-run margin was the game.

Jack Hayashida, Okole House, led the hitters

BLOCK 25 DOWNS BLOCK 41, 7-3 TO EVEN SERIES DECIDING GAME TO BE PLAYED TONITE

Block 25 lead all the way to down Block 41 Placeritz 7-3 Saturday night to even the Girls Championship play-off series at one-all. The deciding game is scheduled for tonight at field 17-26 from 6:45 p.m., after the contest Saturday was cancelled.

Although Lily Hata of 41 and Mary Matsumoto of 25 each chucked 6-hit balls, the game was won by hitting in the clinches and errors.

The 25'sers jumped to a three-run advantage in the top half of the opening frame. With one down, Yoshiko Sofye hit a one-bagger through second and advanced to second on a past ball. Toshiko Mizuno then slammed one to the second baseman, who errored and on the play, Sofye scored and Mizuno went to second. Matsumoto followed with a high fly to left which was caught and then dropped, scoring Mizuno. After Marie Matsune also got on an error, Masako Ike drove in Matsumoto.

Placeritz made it 3-1 in their half of the first as Sumi Miyamoto singled, stole second, went to third on a past ball, and came in when sister Mary Miyamoto grounded out to short.

Next two innings went scoreless but in the top of the fourth, Block 25 scored again when Sofye hit a deep fly into left-center which got away from the left fielder and before the ball was recovered it was good for four bases.

Winners had their final scoring splurge in the fifth. On two hits, a couple of walks, and errors, Sofye, Mizune and Chizuko Yagi romped across the plate.

Final bit of scoring was done by the losers as they retaliated with a lone run in the bottom of the fifth and seventh innings to make the score with a two for three.

7-3.

In that last inning, Block 25 pitcher Matsumoto got in a jam. With one out, one run scored, and men on second and third, she appeared to be suffering a wild streak which could be disastrous. However, she struck out the next two, to end the contest.

Leading batters were, strangely enough, both from the losers as Sumi Miyamoto and Grace Fujimoto got 2 for three. Yoshiko Sofye of 25 got two hits for 4 trips to the plate.

ALL-SHOTS COP JR. LEA. CROWN

The All-Shots ran off with the City Junior Girls' League Softball Championship by trouncing the Rookies to the tune of 14-3.

With Ito of the Champs pitching a three hit game, they were never behind and seemed to have the game in control throughout.

The big stickers for the day were Kawahara with four for four, Ito with three for four, and the only circuit clout of the day by Kaminaka all of the Champs.
