

Vol. III No. 8 Tule Lake Colony Sat. July 25, 1942

BARRACK SCHOOLS ARE TEMPORARY

With the arrival on the project of Martin P. Gunderson, Elementary School Principal, and Floyd Wilder, High School Principal, plans are progressing rapidly for the opening of schools at as early a date as possible. The opening of the schools will be determined largely by the time when the living quarters for the teaching staff can be provided.

Inasmuch as the building of the schools will be done by the colonists themselves, under the supervision of the Construction Engineers, it has been decided at the Regional Office that certain barracks will be used in the project as temporary housing for the

schools. Block 66 has been assigned to the Junior-Senior High School, and recreation hall #908 will house the library. Five barracks will be provided in Block 72, five barracks in Block 50, and the recreation halls in 34, 35, 36, 37, and 38 will house the three elementary schools. Apartments 3706 C & D will be used for temporary offices for Mr. Gunderson; and Mr. Wilder will have his administrative offices in the high school block.

The buildings are being altered to provide adequate classrooms and are being sealed with sheet rock to make them comfortable for school use.

NOTARY PUBLIC

All residents desiring services of a notary public are requested to leave their names at the information desk in the administration building. Arrangements for a notary public for this colony are being arranged by Frank C. Smith, Chief Employment Officer.

"TOLO DANCE" AUGUST 1

Here's your chance to date that certain boy, girls. Tolo Dance is slated to take place on the night of Aug. 1. It will be strictly a girl date boy affair with stags taboo. Corsages made of anything such as buttons, vegetables, grass, etc. will be compulsory but real flowers will not be allowed.

This Saturday night

POPULATION HERE GROWS TO 14,984

The population of the Tule Lake Colony soared to the new-mark of 14,984 residents--with the arrival of the last contingent from Pinedale. This ends the movement of transfers from assembly centers. Over 4000 persons from Pinedale Assembly Center have entered this colony since July 16. The majority of the new arrivals are originally from Northern Oregon and the State of Washington. Some of the represented towns and cities are: Sunnydale, Belleview, Des Moines, Tacoma, Greenlake, and outskirts of Seattle.

The groups transferring last week have occupied blocks in Ward 6.

VARIETY SHOW HERE TONIGHT

With an audience numbering close to 10,000 anticipated, a grand variety show will take place this Saturday night. The affair will be held at the outdoor platform from 7:30 p.m. to 10:30 p.m.

Included on the program are gymnastics, tap dance routine, naniwabushi, vocals, instrumentals, odoris, etc. The show is under the sponsorship of the Issei recreation staff with Ray Muramoto in charge.

The audience is requested to cooperate with the committee by seating themselves as requested.

the regular dance will be held in halls #720, #820, and #1220. #7 will feature jitterbugging while #8 and #12 will be strictly smooth dancing. No stags will be permitted until after 10. The dance will start at 8 p.m. and end at 11 p.m. Crews will be given refreshment at dining hall #1820 after the dance for their services.

DAILY MENU FOOD!

Luther Stults, Chief Project Steward, and Harry Tanaka of the Supply Department indicated that the closely-knit Food-Supply organization is functioning effectively providing essential food materials to the forty-eight dining halls in this center. Realization of the huge task is illustrated by the typical daily amount of food stuffs provided the thirteen thousand residents: 8160 lbs. beef, 9600 lbs. rice, 120 cases eggs, 1 1/2 tons of bread--about 3000 loaves (an average of 4 slices per person), 2400 gallons milk, 500 lbs. coffee, and 500 lbs. of sugar.

Stults stated that, "In addition to the personnel was made with the arrival of Frank R. Pilcher who is acting in his capacity as the Assistant Project Steward for the rapidly enlarging Tule Lake Colony."

KEEP YOUR SHOES ON

YES!

In the absence of Dr. J. C. Sleathe, who had been scheduled to speak at the first Public Health Lecture last Monday evening, Dr. A. B. Carson, supervisor of the clinic, reported on the former's findings on sanitation in this community.

Dr. Carson outlined the problems of public sanitation in this community as twofold: one, closeness of livelihood here demands vigilant guard against the spread of communicable diseases; and, two, common use of many facilities demands thoughtfulness and understanding by each person in use of these facilities. He mentioned the work of the sanitation crew, headed by Riki Matsutuji, in keeping up sanitation standards in messhalls, toilets and

showers, laundries, and the community at large. Screens for the messhall garbage are of too large mesh to keep out flies, and effort is being made to change them.

With regard to athlete's feet, Dr. Carson declared: "Hypochlorine solutions at the entrance to showers would probably not be effective, and the use of the 'gota' should be encouraged." He also warned parents of children who walk outdoors with bare feet, "There is reason to believe that tetanus spores are abundant in the soil here. Without immunization, tetanus infections are fifty percent fatal. Tell your children to keep their shoes on."

The next public health lecture is scheduled for Monday, Aug. 3.

SEATTLE BANK DEPOSITORS NOTE

TRACK MEET SUNDAY

Track and field stars of our community will vie for honors this Sunday afternoon at the local track field situated on the firebreak between wards 4 and 7. Tosh Yamada, Northern California Japanese Olympics champion, and Jiro Nakacki, Sacramento HI's 10 flat sprinter, are expected to hog the spotlight in

the short distances. Janus Kurahara, former Sacramento JC hurdler and more recently a letterman from Iowa State College, will display hurdling form. Larry Takai, consistent 22 foot broadjump artist and Sasaki and Yoshimura, 50 foot shotputters will attempt to gather points in the field division. First events will start at 1:15 p. m. with weigh-ins at 9 a. m.

GIRLS LEAGUE GAMES AND SCORES

In the second round of play the Springs hung up their second straight win by dumping the Jinxes 8-4. The Beavers broke into the win column by a close 12-11 decision over the Ten Pins. In the biggest upset so far the hard playing Small Frys nosed out the favored Isleton Screwballs 4-3. With two wins and no defeats on their hands, the Frys are expected to come through without a scratch, barring future upsets.

The Western division of the girls' loops opened their season play with high scoring contests. The Seekets trounced the Furries 29-11 while the Delta Peps ran roughshod over the Marysville Rookies 20-4. Still the class of the fems, the Hit and Runs retained their undefeated status at the expense of the Teens, 36-14. The Fighting Rees bowed to the Starlets 16-12 in a well played game.

PING PONG

Tule Lake's first ping pong tourney will get under way with a sign up now in progress. Divisions set are boys and girls singles, girls and boys doubles, and a mixed doubles. Entries are being taken at equipment rooms #2908 and #1408 and the deadline is announced as August 15. A Ten cent entry fee will be charged each entrant in order to get balls for the tourney.

SCRUBS WON

With versatile Kay Otsuji chucking a beautiful one hitter, the Scrub outfit took the measure of the Monte Carlos 10-3. Scoring in every inning but the first and the fifth the Scrubs had a commanding lead of 7-2 at the end of the fourth.

Henry S. Shimojima had a perfect day at the plate with three for three for the Scrubs while F. Ikeda hit the lone double in the sixth. George Sakamoto was the Carlo pitcher.

SALEM UPSET

The mighty undefeated Salem Senators were rudely upset by the smooth-clicking Arboga Yogores last Thursday by a 5-2 score.

Sam Mayeda, using a change of pace effectively held the Senators to four scattered bingles.

HARDBALL SEASON'S OPENER

In the season's inaugural hardball game the Violets came through with a close 12-10 decision over the newly organized California All Stars. The Violets drew first blood in the initial stanza when the winners tapped chucker Yagi for two and four more in the second. All Stars garnered two in the third only to have the victors come back with four more to gain a substantial lead. Taking advantage of young Hashimoto's weakening in the fifth the Californians rallied to score eight in two innings. They were effectively stopped by the relief hurling of speedball artist Henry Sonoda.

TUMBLING

Beginning girls' tumbling classes are being held on Mondays, Wednesdays and Fridays at 1108 from 6:30 p.m.

ZOO TS, YOGORES, UC, & FLUSHERS WON

In one of the biggest upsets to date the fighting Zoets overpowered the favored Pee Wees 8-2. Pitcher Al Oshita was in top form as he limited the losers to two bingles. In the other crucial National leaguer the Ubangis failed to keep in the running when they were soundly thumped by the undefeated Yogores 9-1. The Ubangis inability to hit was again their nemesis as they were only able to get one solid triple. The hustling Double Shufflers won their game on a forfeit.

The oft beaten UC Bears finally came into their own as they drubbed the Pensioneers 9-3. Tom Hiraga pitched a two hit game. For the revamped Bears Hiraga and Nakahara hit the apple hard. Club 1400 squeezed a 12-11 decision from the Pick Ups in a free hitting game. The Royal Flushers blanked the 49ers 32-0 in tightening their grasp on the American League lead. The Flushers now have four victories to no defeats and will probably meet the Salem Senators in a crucial.
