### SICKNESS PREVENTION WEEK

The subject uppermost in every colonist's mind is our health. With so many people living in such close proximity to one another and with a common sanitary facility, it is the responsibility of each and every one of us to cooperate in trying to prevent disease rather than to cure after the disease has spread. So let us give our Public Health authorities our fullest cooperation by attending the health lectures and heeding all the sanitary rules.

An ounce of prevention is worth a pound of cure.

# YOGORES MEET SALEM IN PLAY-OFF CONTEST

It's Yogores versus the Salem Senators tonight in the first of the best two out of three play-off games between the National and American League pennant winners.

This contest is slated at 7 p.m. on field 1 and should draw the biggest softball crowd of the season. Both teams were undefeated in league play and pre-game predictions seem to be a toss-up.

Second game will be played on Saturday, August 29, on field 7, and if a third contest is necessary it is scheduled for Monday, August 31 on field 3.

Salem tacked away the American League title in impressive fashion Sunday as they shut-out Commerce 18 to 0.

## FIRST "NO-NO" GAME

### VIOLETS BLAST PLACER 6-1

Behind Hank Nakatomi, well-known Northern California hurler, the Vi's hung up their fourth league win to place themselves within striking distance of the once tied undefeated Royal Flushes.

Only six Oregonians reached first—four via walks and two by error—and two managed to get as far as second but not one man reached third base.

It was anyone's game until the first of the fourth when a home run by Ishimoto with two on broke the pitcher's battle.
