The fifth issuance of identification tags to enlistees who have pay coming for work performed in the month of June is scheduled for July 14, 1942, beginning at 9:00 a.m. These enlistees whose names appear below should appear in person at the identification tag issuance desk at the east end of the Administration Building. Please bring with you your copy of assignment sheet or other identification.

The names of enlistees to be covered by the sixth issuance of identification tags for June will be announced as soon as ready.

Identification tags are being prepared as fast as possible. There will be tags for every one who works. No one will be overlooked. If your name does not appear on this sheet it will be included at a later date.

Approximately 850 checks were distributed on Sunday July 12, from 1 to 5 p.m. Those individuals who have not received their checks as yet should present themselves at the south entrance of the Administration Building.
